100%

With the win of the Magnificent 7s now etched in Club history, it was down to the 10s and the A Grade to keep the Club's hopes of premierships alive. Handsome Al's 10s started a little slowly and were down 4 nil. They soon revved up and left St Johns in their dust, running out convincing winners and claiming their rightful spot in the big one. Good work boys, one to go.

Heta's Warriors were keen to avenge their defeat by Berala in the last round and exploded out of the blocks. Though only leading 8-2 at half time, the signs were good. Berala came out fired up in the 2nd half but the boys repelled them and started to pile on the points to run out convincing winners. The mood at the pub was definitely "the job's not done yet, one to go". Excellent.

Thank you

Thanks to the team of people that helped out last weekend in running the finals at Bill Delauney. It was a top effort and the Junior League were very impressed with our handling of the day. Well done

This weekend

We've got 37 players who are all aiming to give their fathers the perfect father's day present. The 10s kick off at 10.30 on Saturday morning while the A Grade is on at 5.30pm on the Sunday, both at Belmore Oval – you've got a heap of time between games to do all those 'things' so make sure you get to the footy in your gear and support the mighty Saints!!

Go the Saints

**U10 Div 1 Lost 16-28:vs Bankstown Sports
23rd August, 2008**

Lining up as undefeated premiers against last years premiers Sports,
The game promised to go down to the wire. Unfortunately Fatu (13 tries in his last three starts), was sidelined with a foot injury but we were quietly confident anyway. The game started as the usual script with hard tackling and hit ups by both sides until Paul went in for our first try. We then seemed to almost wait as Sports responded with their try. The weather conditions were not the best for a fast flowing game. Semi heavy track and gale blowing – the boys couldn't hear Grant yelling one of their 20 sets of play. Paul crossed for our 2nd try with Sports coming back with theirs. At half time we were up 10 – 4 and with the wind at our back for the 2nd half fingers were crossed. The game remained very physical with our forwards Liam and Tom trying there luck through the Sports defence and with Steele, Adam and Aseri trying on the step and speed on several occasions. Devante eventually muscled over the goal line for our 3rd try and we were looking good but our handling and sus calls against us seemed to give Sports new life and they responded. At full time the score was locked at 16 all. Extra time was called (10min halves), and with no reserves we got worried as Sports crossed over first in extra time. All the team tried hard but it was just not happening as Sporties went in again in the 2nd period. The boys, Coach, Trainers along with the Manager took the loss on the chin and we knew that out of something bad will come a lot of good. Bring on St Johns were not finished yet.

**U10 Div 1 Won 30-4: vs St Johns
30th August, 2008**

After their first loss of the season all the boys worked hard at training and were determined to perform. Our training stuff had the boys prepared and ready for the game. After a slow start and a couple of mistakes St Johns scored first to make it 4 – 0. The boys then

clicked into gear and scored 30 unanswered points. It was a very dominate defensive effort by all boys. But none better then Little Joshua who was involved in everything including scoring 2 tries. Our other tries went to Big Tom, Devante and Fatu but all the boys put in when it was required and defended well and made some great hit ups. Liam was strong of the bench in the 2nd half and muscled up in attack and defence. It was great to see the boys utilize the moves that Grant, Mick and Matty have been working hard on at training during the game. Great effort boys we are now through to the Grand final and all the hard work throughout the year comes down to one game. Good luck boys we are all very proud of all your achievements this year! GO THE SAINT!

A Grade Won 24-2 vs Berala Bears

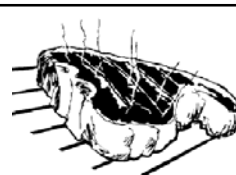

In wet conditions under lights at Hammondville Oval our A Grade team faced up against Berala who had been tough opponents in each of our encounters this year. In a low scoring first half Saints defence was outstanding with Berala's only points coming from a penalty goal just before half time. We went into the sheds 8-2 ahead. After the break Berala threw everything at us, but we repelled everything they had to offer in a physical and bruising contest. We scored three unanswered tries through some good interplay and Sello added the icing. The end result: 24 - 2 to the good guys.

Morts was voted MOM with JB and Luke Carroll also earning points for good performances.

The feeling in the camp is good, but the coaching staff and players know that we have to step-up again for the last game of the year.
