## CLUB NEWS

### From the President

With Easter now behind us, the gradings are done, coaches and teams are settled and training is in full swing - One more trial to go and the real stuff will be upon us. We're running with 15 teams this year which is a bit down on past seasons but this appears to be 'the norm' for clubs around our area. In any case, we can use the extra room on the training paddock to pump more skills into the boys!

### Registrations

Your managers should now be hassling you about cards, photos, birth certificates, passports, clearances and money so you can get registered this weekend. The game timetable below also shows what time each team gets registered. Make sure you give yourself plenty of time. Don't forget, registration fees must be paid at the time of registration - your manager should be collecting these off you now so they can pay the treasurer as a group on the day.

### Welcome BBQ - 5 April 2008

To welcome all new players and parents to the Club (and bond all our sides), we are holding a BBQ in the outdoor area of Panania Diggers from 3pm onwards. There will be a jumping castle for the kids, sausages, beers for the dads etc. After that hectic first day of the season come down and have a relax with your team mates and make sure you wear your club colours - Diggers are one of our major sponsors and we want them to know we are there!!

### Workers still needed

Mums and Dads - don't forget to do your stint in the canteen and/or on the BBQ before your son plays their game this Saturday. Get there early, report in, do your bit for your Club and then watch the footy. We can't operate this Club without helpers.
