## CLUB NEWS

### President's Report

Another weekend where the Saturday boys missed out due to the wet grounds but our 4 senior sides trotted out on Sunday with 3 at home. The 16s, in a do or die battle with St Johns, got the day off to a great start and knocked over the odds on favourites with a 16-10 win based on sheer enthusiasm. Great work boys. After giving the 19s a rap last week, that's all I can say. However the A grade redeemed our day with a hard fought win over competition leaders St Johns (again). After 2 straight losses at home club stalwarts were starting to ask whether this side was the real deal and could they defend their title? They responded in true Saints fashion and did look the goods in sending Johnnies home with nothing - the Saints song echoed loud and clear!! Over the river our A-reserve had the competition leaders (Renown) down with 12 minutes to go. Unfortunately, they ran over the top of us but our semi hopes are still alive.

points with the administrators. Stay positive and be thankful we are actually training. Many neighbouring grounds have been closed for 2-3 weeks and their teams can't train - let's use our time to hone our skills, ready for when we do get back on the paddock!

#### Stats

Our stats lady has been using the wash out weekends to update all our game stats. If you go to [www.juniorbulldogs.com.au](http://www.juniorbulldogs.com.au), click on 'development', then 'fixtures/results', then your age, then 'competition stats' you'll find all the tries, goals etc for yourself and other competitors - see how you fair!! Are you in the top 10??

#### Wet weather

Just a reminder to parents that it is of no use complaining to the Junior league about wet weather and wash outs. The decision 'to play or not to play' rests solely with council and complaining to Canterbury is like whinging to your mother in law about your wife - deaf ears! And it certainly does not score us any
