## President's Report

The Saturday boys tried hard. The 6-4s and 6-1s both put up decent efforts but didn't get the bickies. The 7-3s are sitting 4<sup>th</sup> but need to string a couple of wins together if they are gonna make the semis. The 7-1s kept their hopes alive with a good win over the Bulls. Well done. The 9-1s had their first real win of the year against St Johns. Down 16-12 with 2 minutes to go we scored the equalizer and then watched Davo suck up every bit of remaining time to kick the winning goal. At least somebody is paying attention to the scoreboard!! Good work 9s. The 10-1s looked good in their win over the Bulls while the 14s struggled in a sloppy match against Johnnies but most importantly got the points. A good effort came from our 11-1s over at Berala. In the first round we got mercied just after half time! This time the boys' aimed up and lasted

the whole 40 minutes to go down 18 nil (a 32 point improvement!)

Sunday saw the 16s continue on their winning way with a solid 34 nil win over Brighton. The 19s' defence wasn't up to its normal high standard but they too had a good win over a massive Earlwood Saints. Those 2 points will be important. The A grade led but unfortunately got run down in the final 10 minutes to end up in an 18 all draw.

**Saints in development squads**

Congratulations to Scott Hannigan (13s); Brandan Sua and Jayden Okunbor (14s) and Cam Stewart, Dwayne Brown, Jeremy Fuller and Luke Vella (17s). Well done boys. There were a couple of others who probably should have been there – keep your heads up, stay focused and it will happen.

Go the Saints

#### U/6 Div 4 Lost 6-36 v Sports

#### U/6 Div2 BYE

#### U/6 Div 1 Lost 10-38 v Sports

The boys from the Under 6/1's this week found a very hard opponent in Bankstown Sports at their home ground. Some soft defence from us led to them running in a few early tries and that had us on the back-foot all game. Especially with a few of their boys being speedsters and pretty hard to catch.

Oscar Moseley & Kian Boyne both scored tries for us with Kian converting his own try too. The score ended up 38-10, and we really had no excuses even though we were short a few players. Peter Assaf got the Panania Diggers Award, and a special mention goes to Gabriel Melki for a great effort with his tackling.

#### U/7 Div 3 Lost 8-30 v Berala

#### U/7 Div 2 Lost 8 - 30 v Dragons

It was always going to be a tough match against a big Dragons side who are coming 2<sup>nd</sup> in the competition, but we turned up to play after rain limited our training again to only 1 night. It was a good training session on the Friday night and we turned around our sideways running from the previous game, only 1 week before. We only had 8 players and therefore no reserves, which avoided what would have been a hard decision to take anyone off, as they all put in a much better effort. It was probably our best performance of the season, even if the score did not reflect it, after what was probably our worst the week before, when all things are considered. Our attack was clean and crisp. Everyone gave the ball runners some room and our completion rate would have impressed any first grade coach. Although finding any gaps was difficult, the team kept running forward and making ground, which also resulted in the Dragons giving away penalties and giving us a number repeat sets. Jarrod and Blake did a great job distributing the ball from dummy half and first receiver. Unfortunately, we will miss Blake and Marty (trainer extraordinaire) for the rest of the season, who off to the UK. Probably chasing a Super League contract, as

we cannot fit them under the cap anymore! Thanks Marty, from the whole team and parents, for all your effort and support this year and enjoy the much deserved holiday break.

Ryan once again proved to be a weapon in defence, with some great side on cover tackles when we needed it, stopping a couple of certain tries. Thomas, as usual, led the charge up in defence with Jesse, Saadi, Cameron and Georgio all keeping busy and making tackles. Blake put up a courageous performance at fullback, in what would have been a daunting task, as some of the big blokes broke through our defensive line, but he did not shy away from the job at hand. In attack, Saadi proved to be too fast and strong. After some long invasive runs, Saadi scored 2 great tries with his speed and determination, which we hope to see more of in the coming weeks. If we can continue to improve at the same rate over the coming weeks, we will be very competitive and the most improved team in the comp! Keep up the good work at training team!!!

Tries – Saadi x 2

Player of the Match – Saadi

Encouragement Award – Jarrod

#### U/7 Div 1 Won 42 – 12 v Bankstown Bulls

We were at home this week against the Bulls and despite some overnight rain the ground was in good nick and it was great weather for footy. We were down one in this game due to illness (played with 9), but the boys turned up ready to play and were switched on during the warm up. We went into this game determined to control the tempo of the game and to play a direct style of attacking footy. Riccardo kicked off to commence the game and we watched in amazement as the ball went dead from the kick off. However the referee ruled a tap restart for the Bulls instead of a line dropout, probably because this is a truly rare event in minis. However the boys showed steel in their defence that they have only done on occasions during the season and put the Bulls under pressure from the get go. When we got the ball back Riccardo made a great run that broke the Bulls line and Jared saw the opportunity to take off a score an early try, which Bailey converted to give us a 6-0 lead after 2 minutes. The boys then struggled to hold the big boppers out and the

Bulls scored a converted try late in the set to level the scores 6 – 6. This was the only time our defence did not move up consistently and reduce the momentum of the big boppers. On the tap restart Zac charged fearlessly at the Bulls and made a great run followed up by Bailey and Jordan then made a good run to plant the ball down for another try which Jared converted to give us a 12 – 6 lead. Great efforts in defence by Luke, Sean, Trent and the boys made it hard going for the Bulls and we were getting the upper hand in this game.

The Bulls kicked off to start the second third and the ball went out giving them good field position. However with Kaled, Zac and Sean all moving up on the Bulls first receiver and bringing the line with them forced errors and we got possession back. When we got the ball Trent and Jared started to roll the team forward calling runners clearly and this saw Bailey, Riccardo and Jordan all making great runs and us dominating field position. We scored another try after a barnstorming run by Riccardo and with Sean kicking the conversion were up 18 -6 by the middle of the third. The Bulls struggles to make ground continued in the following set and we watched as Zac and Sean made inspiring runs to enable Trent to score a converted try as the Bulls were reeling. We were now truly in control of the game at 24 - 6 and further increased the lead when Jared scored a late try to round out the scoring in the second third at 28 - 6

We kicked off to commence the last third and had a good set in defence with Luke, Kaled, Sean and Zac all working very effectively to contain the Bulls who were beginning to throw the ball around. We put on some great plays in attack including several run a rounds and this saw us continue to dominate the field position with Jared, Bailey and Kaled making great runs. We scored another try when Kaled broke through the line and was pulled down by the cover defence but made a great pass to Jared as he was going to ground and we were now up 32 – 6. The boys were all moving up in a line and this continued to frustrate the Bulls attack and it was not long before the boys set up another try following a great run by Luke, Kaled saw the opportunity in the Bulls line and took off to score a good try which Luke converted to give us a 38 – 6

lead. The boys switched off a bit as the game wound down and this allowed the Bulls to score a converted try 38 -12. However we scored in the last seconds of the game as Sean got a, well deserved, try to finish the scoring at 42 - 12.

The boys sung the club song loud and proud after the great team effort that they displayed in this game. The boys worked very hard in defence for most of the game and they played a direct style of footy in attack which they took advantage of by scoring 8 tries. Our challenge now is to maintain this form, after a bye next week, in the final rounds of the season and hopefully into the semis. Great game boys and we are all looking forward to our next one.

Go the Saints.

**U/9 Div 2 Lost 4-56 v Milperra**

**U/9 Div1 Won 18-16 v St Johns**

Finally the under 9 division 1 notched up their first win for the season with the key being our outstanding defence. Never say die attitude throughout the game got the boys over the line in the end. The game started with a mistake deep in our own half and we were forced to defend our line early which we did with great success not allowing St Johns to cross. We played majority of the first half in our own half which ultimately allowed St Johns to cross for the first 4 pointer of the match. Through numerous line breaks from our man of the match Livai Tikoipau allowed us to play up the preferred end of the field which saw Livai offload to Meihana which saw him cross over in the corner. Nathan Bishara converted the try equalling the score 6 all. Half time saw the score unchanged and

the boys knew they could win the game from here. The second half started much like the first with the boys having to defend 4 sets on our own line due to our mistakes; like any team would we conceded and early try. Luckily due a miss conversion the score was 6 - 10. When the boys found some more momentum and some hard forward running from Benjamin Pele, Dylan Hema & Aidan Davidson allowed the boys to play once again in the preferred half of the field allowing Mark Kitiona to cross for a sneaky try to level the game 10 all. Mark converting his own try took the score to 12-10 seeing us take the lead for the first time in the game. The momentum slowly switched back in favour of St Johns seeing them cross to once again take the lead. With 3 and a half minutes left on the clock the boys completed which ended up being their 2<sup>nd</sup> last set for the day with a kick down field. With a strong chase and some luck the St Johns full back knocked the ball forward into another St Johns player who picked it up incurring a penalty for an accidental offside. With 3 minutes left on the clock the boys took a quick tap through Aidan and our last chance to take the game was under way. We reached the line with numerous tackles to spare and on the 4<sup>th</sup> tackle the ball was passed to half back Nathan Bishara. With the rushing St Johns defence he kept his cool and just like his hero Benji Marshall, Nathan showcased 3 left footsteps beating 3 players and finally dived over the line to level the score 16 all. The boys were ecstatic but we knew the kick had to go over to secure the win. Reluctantly the coach decided Aidan was to take the kick. Only converting one from his many attempts this year the nerves were at an all time high for players, supporters and especially the coaching staff. Taking his time to run down the clock he successfully converted the try taking us to a 2 point lead. With 30 seconds still remaining St Johns were able to kick off and they did so to Malakai who then was tackled to complete the game. The boys

had just one their first game of the season and have finally shown some true potential at which they should play every week.

**U/10 Div 3 Lost 0-44 v Warriors**

**U/10 Div 1 Won 34 - 12vs Bulls**

When we played Bulls in the first round it was a seesawing match where we just hung-on to get the bickies. This time around, playing at home and having tasted victory previously, we took some confidence into the match. We started well, showing good depth in attack and strong running, led by Ryan. Some good ball movement gave some space to Noah near their line and he crashed through their defence for our first points. We scored again through some evasive running by Kueva, followed-up by Lachlan who nabbed our second. Our defence was good, particularly on our line where Noah was impenetrable. There was only one blemish when Bulls scored from dummy half. We were up 12- 6 at half time.

The second half started like the first with our boys showing great depth and hard running. Ryan was rewarded with a strong try. Bulls scored from close range courtesy of "their big guy" who virtually reached over the top of our boys to plant the ball. But it became a one sided affair after that. We dominated possession and Bulls couldn't contain our attack. Our back-line ball movement was really first class through Kueva, Noah and Lachlan - deep, wide, fast, drawing and passing... it was pretty to watch. We scored back-to-back tries, with the last one from Christian showing the ball to kick on the last, then darting over untouched. It has been a tough season, so it was good to

## The Play The Ball

(13) The play-the-ball shall be as normal in the adult Laws.

However-

(a) No markers are allowed. The ball must be played backwards.

(b) The acting half-back and the player receiving the ball from the acting halfback may, on receiving the ball, either pass the ball or run themselves. Should they elect to run, not score and be tackled, then their team forfeits possession.

A member of the opposite team will then play the ball for play to recommence.

**Should the defending team play the ball within their own "quarter" - ie 20 metres from its own goal line (i.e. the area between the International Laws touch line and 20 metre line) then THIS LAW applies only to the acting halfback - only the acting halfback, then, MUST pass the ball for the tackle count to continue.** At any change of possession, the referee's signal will be in accordance with adult Law.

(c) At the play-the-ball, no member of the team NOT IN POSSESSION is to move forward until the ball is in the hands of the FIRST RECEIVER or the acting halfback elects to run or mishandles the ball. Each member of the team NOT IN POSSESSION must retire 5 metres from the play - the - ball and any player who is within this area shall be deemed to be out of play. Members of the team IN POSSESSION must retire behind the acting halfback.

**Stay tuned for more next week!!!**

#### **U/11Div 2 Lost 30 - 0 v Bankstown Sports**

The boys were away this weekend at a bright and sunny Steve Folkes playing against a determined Bankstown Sports outfit that turned up to play a tough game of footy and in the end. Were simply just to good and managed to out muscle the TEAM in all areas of the game to record a very convincing win., (*boy's that's what happens when you turn up to play football*).....

The first half saw both sides matching each other in both attack and defence and it wasn't until the back end of the first half that the opposition was able to cross over. In allowing them to go into the half time break with a steady 12 points – nil lead on the scoreboard.

The second half again started out as the same as the first half and the boy's were still in with a chance of pulling off their forth consecutive win of the season. Until some poor defence, missed tacklings and a number of poor attacking options allowed the Sports to cross over for another three unanswered tries. Resulting in the score line becoming to far out of reach in allowing the TEAM any chance of making a successful comeback. (*Remember boy's it's not always about being the biggest or fastest footballer. It's also about reading the game and using your noggin*).....

With this weeks **Man of the Match Award**

going to Stephen Dowling. Who played a solid game in both his attack and defence. Did what he had to do and went about his job in supporting his team mates and more importantly hung in there and never gave up, (*Well done Steve*).....

To also include boy's what we spoke about after this week's game. *Things happen on the football field for a reason. Whether they are for the right reasons or the wrong reasons is up to YOURSELVES....*

#### **U/11 Div 1 Lost 0-18 v Berala**

I think everyone was feeling quite nervous returning to Peter Hislop Park, after our heavy loss to the Bears in round 4, which we lost 52-nil and in only 25 mins, and after a week of half the team being sick and not at training, it was enough to have the whole sideline biting off their fingernails as they waited for kickoff.

The boys have been working extremely hard since their last clash and it was time for them to show everyone just how much. The team had better possession and they gave the big boys of Berala a real scare, keeping them scoreless for the first 15 mins and walking off at half time with the score only 6-nil to the bears. The team was pumped and had an air of confidence and belief in the second half, one they had not had against this team for the past few years. Their defensive effort was fantastic and their teamwork even better. You could see a few smiles on their faces as a few of the big boys went down hard and they realized that they weren't so untouchable as they first thought. With a suspect "non-call" from the home sides touch judge, and a try off an illegal pass, Berala went on to win the game 18-nil, but our boys walked off that field full of pride knowing that the score line was not a true indication of how the game finished. The Berala boys even seemed to walk off the field dejected as if they had lost, I would say because they

were still in shock because the St Chrissie boys really gave them a run for their money and they stuck it to them for the whole 40 mins. This was not the same side they merced 8 weeks ago.

It might not have been a win on the scoreboard for our team, but it was a win for their confidence and a testament of character from all the boys. This game was a true indication that it is not just about winning the game, but about giving it all you've got and backing up your mates on that field, and the results showed that. We are so proud of all you boys keep up the good work, and don't worry there is always a next time!!!!

#### **U/12 Div 1 Lost 10-16 v Berala**

Our boys again showed glimpses of good footy play, however knocked off at half time and lost one that we shouldn't have. Sammy ran well out wide and looked like scoring every time he got some great ball from Jonah. His 1st try 10 minutes in showed his class and Luke converted from out wide 6 - 0. Kieran was on fire and terrorised the opposition with his relentless hard running. Nathan and Liam had their own running battles and our pocket rocket Lachlan didn't take a backward step. Hayden crossed following some great attack and we went into half time 10 - 0.

The 2nd half was 20 minutes of missed tackles and lost opportunities. We had very little ball and gave the match over to Berala to run their way. Our boys would have learnt a great lesson from this match and thats we sing the song after the final siren, not at half time.

Tries: Sammy & Hayden.

Goal: Luke.

MOM: Lachlan.

#### **U/13 Div 2 Lost 0-50 v Milperra**

**U/13 Div 1 BYE**

**U/14 Won 34-0 v St Johns**

A very soft start to the game both in intensity and attitude saw the boys ahead by only 4-0 at half time against a St Johns outfit that grew in confidence with our lack of pressure. A half time spray by Coach Mulvihill had the boys showing glimpses of past great performances. A 30-0 scoreline in the second half going some way to appeasing the miffed coach.

# **IMPORTANT NOTICE TO** **ALL PARENTS**

## **Code of Conduct and ARL Safeplay**

**The junior league has reminded all Clubs to inform their members about conduct. When you're supporting our teams the best advice is to stay positive and follow the ball i.e. leave the ref alone. Everyone is also reminded that no one is to enter the field of play at any time (that definitely includes half time). Only 'card carrying' team or Club officials can enter the field. Please take note.**

**The referees have also advised the ARL Safeplay code will be rigidly enforced throughout the season. This code is applicable up to and including the under 15s. It means there is no tackling above the arm pits, no swinging of players by arms or jerseys, no lifting in tackles. A breach of the safeplay code is an automatic penalty. It is no use hollering from the sideline – the refs will be consistently and automatically administering this code. I recommend all coaches (and supporters) click on the following link to read the full code. Good luck to everyone on the weekend**
