## CLUB NEWS

### President's Report

Round 2 saw the Club have an improved day after our poor start last weekend. The 6-1s opened the day at Billy D and looked really good in downing the Bulls. The 7-3s, after having a bye in the first round, were super keen to get going and we could see why. Though lots of new players to the game, they played like seasoned veterans to easily account for Moorebank. Great start boys. Over at Roberts Park our 6-2s were in a tough one with Greenacre. It ended 16 all but we did have our chances to win it. Next time.

Unfortunately from 7-2s to 11-1s we couldn't crack another win though both the 7-2s and 7-1s went very close, only going down by 6. Luckily the 12-1s decided to play their best game in probably the last 3 years. Up against the aptly named Bears (they were massive) our boys showed that 'using the ball' and 'putting the player on the ground' are not just clichés but all important skills if you want to be competitive in

this game. They weren't just competitive, they won 24-6 and never looked like losing. Definitely the team of the week – well done.

Sunday was a mixed bag. The 16s were sloppy, the 19s played 10 and just threw the ball around until the opposition went home (at half time) while the A grade played competition favourites, the Warriors. We went down 24-6 but we now know what the benchmark is and we'll use that.

Socially the opening night at the Diggers was huge. Thanks to all the new parent and their families (and of course the regulars) who came down and made the night a success. Every team should be aiming to get to the Club every couple of weeks for those all important bonding sessions.

**GO THE SAINTS John Grealy**

#### U/6 Div 4 Lost 32-10 v St Johns

We were away to St Johns and had a late venue change on Friday afternoon with the game moved closer to home at Neptune Park. St Johns started off strongly with a quick try in the opening minute. St Christophers responded quickly with another Marcus Khoury swerving try. The St Johns side was quick in defense and did not leave our boys many chances to advance. The team however, kept their spirits up and fought on and were unlucky as many a try saving tackle was made by the St Johns full back! Lucas Cassar made a number of great runs and scored his first try for the season, which he also successfully converted. Mark Bishara had a great game and ran so much he had to remove his headgear to cool down. Lucas Pengue put in a great effort and played the whole game. The bench was used regularly to rest the player's tired little legs. The whole team was involved, enthusiastic and showed improvement from round 1. Bring on round 3 as the team are eager for a win!  
Tries Marcus Khoury & Lucas Cassar

MOM - Lucas Cassar

#### U/6 Div 2 Draw v Greenacre 16-16

On Saturday the boys had their 2nd game of the season, some of them their 2nd game ever. They are all learning very quickly and having a lot of fun. 2 of our tries came from Ryan Klem and 1 from Tom Forrester. Our 2 conversions came from Tom Forrester and Hayden Swibel, with Ryan Klem just missing out hitting the cross bar. Matt and Tom have got them doing quick play the balls already which is catching the other team off guard and allowing them to run through. All the boys had some good runs and there were some great tackles made on the bigger Greenacre boys. Well done boys.

#### U/6 Div 1 Won 24-6 v Bankstown Bulls

After losing to a very strong Moorebank Rams side the week before, the under 6/1's were determined to give their all against the

Bankstown Bulls, for their second game playing together.

Connor Bryce opened up the scoring with a great try early in the game. The Bulls then came back at us and scored shortly after, as well as converting their own try, making it 6-

4 their way. The Chrissy's boys then stuck together and defended very well. More tries from us followed with Owen Millar, Jack Zanbaka & Toto'a Lynch all scoring one apiece, as well as Peter Assaf nabbing a double.

Congratulations to the Under 6/1's for a very fine 24-6 win. Our first win of the season with hopefully many more to come!!! Each and every boy in this team deserves a pat on the back for their attentiveness and attitude at training, and it was reflected last Saturday on the field.

### U/7 Div 3 Won 22-4 V Moorebank Rams

Wow, what a great game we had to start the season! After a Bye in the first round the boys were all very keen to take to the field. Since most of the boys had never played before, we were all very interested to see how they would go. The game kicked off and the boys got off to a flying start. Jack quickly snapped up the ball and took off, breaking through the defence and went in for the first try. Slater converted the try for a 6pt lead. Morebank were next to score, but the boys would not be deterred. With some fantastic tackling by Braith, Blake R and William the boys managed to keep the opposition at bay. Isaak picked up the pace and scored two tries in succession, one straight from the kick off. What an effort. Ky, Steven, Blake M and Christopher put in some amazing defense and managed to keep Morebank out for the remainder of the game. The big surprise was when Jack took off, barreled through the defence and went in for a hat trick! What a fantastic finish to a great game. Well done boys. Keep up the great work.

### U/7 Div 2 Lost 38 - 32 v Milperra Colts

The whole team put in a great performance for their 2nd game together against a former division 1 team from colts. Jarrod gave great service from dummy half to Jesse who played first receiver and captain. Jesse

michael@

mrmlogistics.com.au

organized the runners well and there was little to no dropped ball or forward passes. A 500% improvement.

Saadi and Vincent were our main attacking weapons and both had many strong runs resulting in 2 and 3 tries respectively. Vincent's speed and evasive skills Will soon

have him known as the Greg Inglis of the 7/2's.

Gergio and Blake played well outside moving up and cutting players off and Blake was unlucky to score with a number of deceptive runs. As usual Thomas was again in everything, moving up, bustling the colts

attack, motivating our defense and taking the ball up the middle like a front rower.

Cameron ran hard and pulled off a try saving tackle after a great chase. Ryan again proved to be a superstar defender and cut down everything that moved. Everyone was helping out with the tackling this week.

Although colts got to an early lead we came back late and had a kick for goal to level that could have leveled the match at 34-34. The kick hit the cross bar and colts scored a try on the bell.

A great game and effort by the whole team that is on the improve and only a game away from our first win! Keep up the great effort. Vincent was named man of the match with 3 tries, a goal and a big effort in defense.

#### **U/7 Div 1 Lost 16 – 22 V Berala**

Our second game of the season saw us play away again this time at Berala. As usual Berala was a very big side and due to holidays and illness we were down on numbers and we commenced and played the first third with only 7 players.

Berala kicked off and we commenced the game strongly despite being short a player completing our sets in possession with good runs by Jared, Trent and Ricardo all running strongly. We held the big boppers in the Berala side early in this third with Sean, Alex, Bailey, Jared and Jordan all putting in good efforts in defence. We struggled to play the game in the Berala half and the boys began to tire and this saw our defence line becoming staggered. The biggest player in the Berala side crashed over to score with 3 of our players hanging onto him and others left in his wake. The boys quickly came back to score and take the lead following great runs from the restart and the next tackles before Jared broke away to score and this try was converted by Alex to give us the lead 6-4. However just before the end of the third Berala again scored after a break by one of their big boppers and took the lead 6-8.

We kicked off to commence the second third and despite some desperate attempts at cover tackling Berala scored on the first set of the third to extend their lead 6-12. The boys worked hard in this third and about half way through we got back to a full side when another player arrived. All the boys took the ball up and we were trying to go side to side

28 Childs Street Panania  
Ph: 9774 1288  
[www.pananiadiggers.com.au](http://www.pananiadiggers.com.au)

in an attempt to tire out the Berala big boppers. Strong runs from Alex, Kaled, Sean, Jordan and Bailey taking the ball up with no fear and tireless work in defence from Ricardo, Trent and Jared all stopping Berala from extending the lead and we went into the break 6-12 down but well in it.

Berala kicked off for the last third and the boys were determined to score with great runs by Jordan, Kaled, Alex and Sean. The boys also improved the speed of the line in defence and this paid dividends for us as they forced an error from Berala. Like all good teams we took advantage of this error and following great runs from Trent, Bailey and Ricardo which saw Jared scoot away on a last tackle play to score a great try although he

gave the fans a heart attack when he skirted the dead ball line to score under the posts. The try was converted by Bailey and we were again level at 12 -12 with Berala and we were in with a chance. But late in the third with our boys tiring in the heat and working hard to bring down the bigger boys we again started to present a staggered line and Berala took advantage to score and regain the lead with a converted try 12 - 18. Jared scored his hat trick from the restart and we just missed the conversion and were down 16 -18 with less than a minute to play. Berala ran their 3 big boppers at us one after the other and were brought down just short of the line with one tackle remaining. The siren sounded but was not heard by the referee and Berala

scored after the bell to round out the scoring at 16 - 22.

The boys all tried very hard this game and did not deserve to lose, however sometimes football is a tough game. The boys have learned some good lessons from this game including that the referee will not always tell you when to move up (go when first receiver gets the ball) and that sometimes it is the small things (every one move up together in defence) in a game that determine the result. We are all very proud of the way the boys played being down on numbers and how they never stopped trying and were in the game to the end.

Go the Saints.

**Tries:** Jared X 3

**Goals:** Alex X1, Bailey X1

#### **U/ 8 Div 1 Lost 30-4 v Milperra Colts**

Saturday saw our first home game of the year which was against one of our old foes in the Milperra Colts. We were suffering a little "Div 1 Syndrome" again with comments such as "They are under 9's" being common place. But they are still the same players that we did beat last year. Our defense was once again slow and disorganized and showed with the final result. Milperra took advantage of our disorganized defensive line through their superior speed scoring try after try. The final score ended up with a 30-4 beating. We had a few highlights in Thomas, Marshall Alex and Joe. But we all need to improve in defense which will actually help our attack. Our only score was a sensational solo try by Marshall.

We have a lot of work to do in the coming weeks to resurrect our defence and that will only come with hard work and listening from all the boys.

The final score ended up Milperra 30 - St Christophers 4

#### **U/9 Div 2 Lost 38-6 v East Hills**

It was a sad day for the 9-2's, playing a strong East hills side with a lot of experience was always going to be a hard task. The final score resulting 38 to 6. A lot of work is required with our teams defence. However there were a lot of positive notes to take from the round. Special mention to Omar for a great game especially with his tackling, also Ethan was playing his hooker roll to perfection and tackled well. Keep up the good work guys. Tries to Lachlan Maric, conversion to Angus Lake.

#### **U/9 Div1 LOSS 6-28 v Bankstown Sports**

Facing the raining undefeated premiers in the second round would be a good indication where we are at as a team. We knew it was going to be tough, after last weeks efforts we

**5x7—\$10**

**8x10 - \$20**

**8x10 Magazine Cover— \$25**

were quietly confident we could match them. Bankstown showed from the start how well drilled and structured they are and scored early. To their credit our boys lifted in defence and turned the middle part of the first half into a struggle, some big tackling by Dylan and scrambling defence by Brodie saved some potential tries. Having the ball 2-3 sets in a row in attack we should have put some points on the board.

At 18 - nil down, the boys hung in there with a never say die attitude and they attacked their line and eventually crossed by a big solo run by Lachlan. Although we lost the game the boys showed how gutsy they are playing again with no reserves and a courageous effort by Aiden to come back on the field after being injured.

We showed we can match them but some areas in our attack need a lot of work which we will concentrate on at training.

Man of the match goes to Dylan who had some strong runs and didn't stop tackling throughout the game.

Well done.

John

### **U/10 Div 3 Lost v Auburn Warriors**

The 10/3's played their first game of the year in what we would consider to be a good start and a not so good end.

Jordan Raish scored our first try with his trade mark show & go from dummy half, Daniel Catrupi topped it off with a solo try running 30 metres to score a try in the corner.

At half time it was only a 2 point ball game looking like it was going to go down to the wire. Camille & Dean made great ground during the game, first timers Reece & Jarred tried their best, along with Cory with the big heart always wanting the best.

Man of the Match Vincent pulled off some great tackles throughout the game. A special mention to Eddie who has shown improvement since 2010 & JD who looks like he will have a great year.

In the end the score didn't reflect the effort and we look forward to our next game!

### **U/10 Div 1 Lost 6 - 46 v St Johns**

We were lucky enough to have the game moved from Begnell to Neptune Park, which was a good start. Our attitude from the opening kick-off also signalled a good start when we completed our first set of six, including new decoy runners. We followed this up with a good defensive set, keeping last year's grand finalists in check. So far so good. We then received the ball again inside our own 20 and dropped it on the first tackle. St. John's seized the opportunity and scored out wide to open their account. Similarly to the previous week, it seemed like we did not see the ball again for some time and by then our opponents had added more points to their tally.

Most of the boys showed toughness and commitment for the full game under trying circumstances. We played at high noon in hot conditions with no reserves against a good team that controlled the ball pretty well. Our defensive effort was led by Callum and Cameron with 19 and 17 tackles respectively. Christian, Kueva and Noah were also valuable in defence, with Blake having a big first half. The highlight in defence involved a long chase by Noah diagonally across field to dive and bring down a flying St. John's player around the ankles only inches from our line. What great determination and ability.

Our attack didn't trouble our opponents enough. It started well, but lost structure late in the game after Jack was injured from a couple of heavy knocks and fatigue became a factor, although our kick-chase was effective. The real highlight involved Kueva drawing the defence and delivering a very long pass to Lachlan who was unmarked on the wing and used his speed to dash from half way to score our only try. It looks like these long passes are going to be required more often.

Despite the score line, physically and mentally our boys are definitely in the contest. We just need to work on some key issues that will bridge the gap. Stay confident – this will come.

# **IMPORTANT NOTICE TO** **ALL PARENTS**

## **Code of Conduct and ARL Safeplay**

**The junior league has reminded all Clubs to inform their members about conduct. When you're supporting our teams the best advice is to stay positive and follow the ball i.e. leave the ref alone. Everyone is also reminded that no one is to enter the field of play at any time (that definitely includes half time). Only 'card carrying' team or Club officials can enter the field. Please take note.**

**The referees have also advised the ARL Safeplay code will be rigidly enforced throughout the season. This code is applicable up to and including the under 15s. It means there is no tackling above the arm pits, no swinging of players by arms or jerseys, no lifting in tackles. A breach of the safeplay code is an automatic penalty. It is no use hollering from the sideline – the refs will be consistently and automatically administering this code. I recommend all coaches (and supporters) click on the following link to read the full code. Good luck to everyone on the weekend**

**[http://www.arldevelopment.com.au/fileadmin/user\\_upload/Documents/Club\\_Admin/downloads\\_about\\_us/14270\\_Safeplay\\_Code.pdf](http://www.arldevelopment.com.au/fileadmin/user_upload/Documents/Club_Admin/downloads_about_us/14270_Safeplay_Code.pdf)**

MOM – Cameron Riley

Try and goal – Lachlan Jordan

### U/11 Div 2 Lost 34-0 v Moorebank Rams

This week saw the boys playing at home against the Rams on a very hot and sunny Saturday afternoon. Moorebank started the game off very well and as a result were able to complete a number of consecutive sets with the ball. Which unfortunately resulted in the boys having to defend within their own half on numerous occasions and to also include the cost of very little ball possession.

Resulted in the visitors racing away to 22 -0 point lead at the half time break.

The second half again saw the boys having to defend hard in shutting down the Rams strong attack and endeavouring to keep the score line at a respectable level and to their credit. They were able to hold out the opposition with some inspirational and promising **TEAMWORK** in defence from all involved. As the boy's could have easily given up and it was not until in the final couple of minutes of the game that the Rams were able to put some more points on the board. (*Well done boys you tried hard all game*).....

With this Week's **Man of the Match**

**Award** going to Mohamed Arnaout who tackled hard all day. Run the ball well and backed up to assist his team mates from start to finish, (*well done Mohamed*).....

Unfortunately no points were posted on the board this week and with what little ball the boys' did receive. They were able to make several valuable metres and improve on their attack in learning and feeling more confident when passing the ball around as a TEAM....

To also include boy's what we spoke about after this week's game.....

*Things won't happen in a game of football unless you make them HAPPEN.....*

### U/11 Div 1

#### U/12 Div 1 WON 24 - 6 v's Berala

On a beautiful sunny afternoon at Bill this team played one of their best games ever as the last game of the day. The smiles on the faces of the parents said it all as the boys played mistake free footy for most of the 1st half. Smart choices and controlling the footy meant Berala's big boys could not get into the game, and when they did Luke, Rhys, Jack and Liam made sure they were swamped. Jeremy was very safe out wide and made great yards when he got the ball. Adam gave quality ball all game from Dummy Half and Nathan, Hayden and Jonah ran hard all game. Jack had his unusual quality game and showed some great kicking skills. Bring on next week and if you boys continue to play like this you will win many more.

Tries: Rhys Harrington, anthony Maric, Nathan Boland, Jonah Ngaronoa and Luke Reardon.

Goals: Rhys Harrinton and Nathan Boland.

MOM: Nathan Boland

#### U/13 Div 2 Lost 48-4 v East Hills

The boys didn't have another good start to the season versing East Hills at their home ground with no reserves.

Our first half score line was 0 to 36 but our boys never gave up with second half been only 12-4 with Tui scoring our first try of the year. Come on boys we need to get to training with the right attitude and our games will get better.

Paul Kit Kat Kitiona was our man of the match with great defence and good hit-ups, keep it up Paul. Well Done!!

## U/13 Div 1

### U/14 Won 40-14 v Moorebank

After the tough win in round 1 the boys struggled to get up for a round two clash with a newly promoted Div 2 team. The opposition started well and for most of the match were on top of us in terms of attitude and enthusiasm. Moorebank scored first after some uncharacteristic poor left side defence. It took us quite a while to curb their enthusiasm and establish our own ascendancy, but by the break we had rallied to lead 22-4.

At this stage of the season it would be wrong to be critical of the boys, a horror injury run both on and off the field has weakened us somewhat and we went into this game with a bench of one player also carrying an injury. These circumstances have forced positional changes on the team which has been disruptive to our composure, as well, we are settling in two new boys who are unfamiliar with our structure and style. A poor playing surface, an inconsistent referee and another injury during the game all combined to work against the team on the day.

to grind out ugly wins even when they play crap. To always stick together. The positive from this game is that they can play when they want, that they do have each other when things get tough, that they have it in them to beat anyone. We have had a disruptive start to the season but that's just the universe's way of testing us. I know these boys, they'll work through this patch and come out on top.

## U/16

### U/19 Won

#### A Grade Lost 24-6 v Auburn Warriors

On Sunday we played reigning premiers Auburn Warriors in pouring rain at Neptune oval. Warriors are a big side and were backing up from a big win in round 1 against Moorebank ( 56 - 4 ) and we were coming off a 1st round win against Greenacre.

The first 10 mins of this game was marred by poor handling from both sides and unfortunately for us most of the play was at our end of the field, but our defence held tight until the 30th minute when Warriors crossed for a try and this was no poor reflection on our part, our boys defended like their life depended on it, tackling blokes twice their size eventually took its toll and Warriors crossed for another try just before halftime to lead 12 nil.

in the 2nd half we hit back with Andrew Powell diving over from dummy half with James Leten converting to make it 12-6 Warriors hit straight back to make it 6-16, for the next 20 mins Warriors enjoyed 65% possession and ran out winners 6-24. the score line is not a true indication of our effort, the Warriors had the better of possession for the entire game, they are absolute Monsters in comparison to our boys and are favourites to take out this years title, our boys made 250 tackles in this game and they can be proud of their efforts and if we can produce that each week i have no doubt we will be meeting Warriors in the big one come September.

Today's best players were our bookends Keiran Deas and skipper Matthew Dawes and they were well supported by Jye Dance and Jason Mayoh.

After half time we again struggled to settle into rhythm and Moorebank capitalised on our lack of concentration to bang on two tries to take the score to 22-14. This must have had some effect on the boys as they finally switched on and took the score to 40-14 with a succession of well constructed tries.

To their credit the boys never gave up, they might have made offensive and defensive errors, they may have had lapses of concentration at regular intervals during the game, but they never gave up, they never have. I am constantly proud of them as a team and their ability
