CLUB NEWS

President's Report

Well a fairly ordinary weekend for anyone that wants to be competitive. Our home ground was turned into a graveyard – normally I would be happy with that but it was our teams who got buried. The 'graveyard' concept means teams visiting our grounds are made feel unwelcome and have to work extra hard if they hope to beat us. On Saturday the first 6 teams put a "welcome mat" on their foreheads and let everyone of the opposition walk over them AND wipe their feet on them. It was embarrassing. Only the 14s stood up and said 'this is our house, we win here, not you!' Well done 14s – you understand the concept of 'home ground advantage'. If the rest of you don't understand the concept, we'll advise CBDJRL to book your future games away – maybe your parents having to travel will make you fire up!

Away from 'sponge city' (aka Bill Delauney Reserve) our boys were doing quite well. The 8-1s racked up their first win of the season in the grand final re-match against Moorebank – a real confidence booster for the boys. Great work. The 9-2s, after a draw the previous week, showed it was no fluke with a comprehensive win

over Auburn Warriors. Sensational! The 10-1s also got the bickies against a cranky Bulls side. This too will boost their confidence in the Div 1 comp as they should now realize they can (and have been) matching it with these sides. Well done. The senior sides (16s, 19s and A grade) were on a tour of 'holy grails'. On Saturday the 19s were at Redfern Oval against the fearsome Redfern All Blacks . It was great match and we ended up well deserved victors. Well done 19s, your attitude and training are an example to all sides in the Club. On Sunday the 16s travelled to Holy Cross Ryde. Unfortunately, it was a very ordinary effort and to see them beaten by such an ordinary side was disappointing for all concerned. We're better than that. More effort was displayed at Bexley Oval where Don Bradman once batted for St George. The A Grade were far too good for Hurstville which ended a day for the Hurstville Club which was very similar to our Saturday!! Guys – let's pick it up!!! We are the SAINTS

U/6 Div 4 Lost 28-0 v Bankstown Sports

U/6 Div 2 BYE

U/6 Div 1 Lost 40-10 v Bankstown Sports

After a week off due to the rain, the Under 6/1's were up against a very focussed and

strong Bankstown Sports side at Bill Dealuney Reserve.

Our boys tried hard, with Oscar Moseley scoring two tries for us, and he also converted one of his tries. Kian Boyne tackled like a machine, and he must get special mention for his performance. Even though the team got

beaten on the scoreboard, Kian was awarded Man of the Match by the referee! Even the parents of the opposition team were talking about how good he played!!!

U/7 Div 3 vs Berala Bears -Lost 16-24

The boys put in a great effort this week despite the loss. After 2 weeks off, I thought the boys had forgotten how to play a game of footy in the first third. Berala ran in 3 quick tries in the first ten minutes to start the game, and despite some great defence, we couldn't seem to get over the line. When we returned to the field, the boys suddenly remembered that they had a game to play! They picked up the pace in both attack and defence. With some fantastic runs from Ky, Jack managed to get over the line and put the first points on the board. Christopher continued to run the ball forward for Jack to go over once again. Bearla continued to pass it to the bigger kids and score tries but Jack was having none of that. Our star try scorer ran in for a mighty 4 tries this week. There was some great tackling taking place by Steven, Braith, Blake M and Blake R, and Isaak had some speed in him this week running the ball up the sideline. Well done boys. Better luck next week.

U/7 Div 2 Lost 24-0 v Dragons

It was always going to be a tough game against the Dragon's No. 1 team and the team needed to be convinced before they went on that they were not playing against the under 8's. They were Huge!

Everybody dug in from the start and showed they were not scared, but we did forget that you have to take the big blokes down low. Saadi, Cameron, Jarrod, Georgio and Bianca all got in and help make the tackles. Thomas, as usual, led the defensive charge up front with Jesse and Blake, cutting off most of their attack, with Ryan and Vincent cutting down the ones that got away. It was great to see Bianca, Thomas, Blake and Jesse all talking in defence. Despite our efforts the Dragon's managed to score a try 1 try in the 1st and 2nd Third and lead 10-0 going into the last Third. Our attack needs to straighten up and stay away from those sidelines but Bianca, Ryan, Saadi and Vincent all made inroads in attack, with Blake stepping and swerving his way

past most of their team and our little blokes Jesse and Thomas running it hard up the middle. We were unlucky not to score and just could not break their final line of defence a number of times. After we could not break through, Thomas improvised and showed great skill and awareness to have a run from dummy half and put a great chip over the top. Unfortunately, the referee had to pull it up and we gave a penalty the following play for a missed high tackle for which the referee played a 30 metre advantage until the ball player was finally tackled???

In the final Third, the team became frustrated, tired, over anxious in moving up in defence and lost concentration, making mistakes and going high with the big blokes pushing us off on the way to the try line. The Dragon's scored 3 tries in the final Third to give them a 24-0 victory, but the score did not reflect the game or effort that the whole team put in.

Ryan was named Man of the Match with another superstar performance in defence and Jesse got the encouragement award (just in front of Blake) with a very enthusiastic and busy game in attack and defence.

U/7 Div 1 v Bankstown Bulls Won 30 - 10

After the Easter Break and the rain over the last 2 weeks we were again on the road in Round 5 against the Bulls. It was great footy weather and we were concerned that the boys would be a bit rusty for this game.

We kicked off to commence the game and unfortunately it went out on the full which saw the Bulls get a penalty. We were a little confused by this start to the game and the Bulls took advantage of this to score a try late in their first set to lead 0-4. However we made great ground and good field position from our first set in possession to set the tone for the first third. We also had a very good speed of line in defence and this put the Bulls first receiver and runners under pressure. Our defence line was led by Sean, Kaled, Zac and Jordan who all moved up well. When we had the ball Bailey, Luke, Alex and Jared were all in the mix and making good metres. It was a

mrmlogistics.com.au

very tight third and we were unlucky not to score with Bulls pulling off some good cover tackles.

The boys put together some great runs from the kick-off return and following great runs from Kaled and Luke we put on a run a round with Trent and Jared which stunned the Bulls and saw Trent crash over to score our first try, which was converted by Bailey to give us the lead 6-4. The boys began to dominate the game in this third with our defence forcing errors from the Bulls, with great work again from Sean, Kaled, Jordan, and Bailey. We were making good metres with Jared, Trent, Luke and Zac all looking to break the Bulls line. We scored again late in the second third with Trent making a great break that resulted in another try which was converted by Kaled to give us a 12-4 lead. The Bulls received consecutive penalties and

attacked our line in the dying minutes of the third and all the boys were putting their bodies on the line to defend our lead.

We kicked off for the final third and the Bulls were determined to get back into the game and assisted by further penalties were able to get another try which was converted to bring the score to 12-10. However our boys were determined to get their first win of the season and we again began to dominate field position and following a great break by Jared, Kaled raced from just over halfway to score which was converted by Jared to extend our lead 18-10. After our defence forcing another error from Bulls we put another run a round on which saw Trent score in the corner and Alex converted to give us the game breaking lead of 24-10. We were now in control of the game and the Bulls were playing catch up footy and we

were able to punish their errors with another great try by Jordan which was converted by Jordan to round out the scoring 30-10. There was some great work in attack by Alex, Bailey, Luke, and Zac all running forward and making good metres and all the boys were involved in defence which was very pleasing to the coaching staff.

This was a great game and all the boys played well with the score reflecting their efforts and the game awards could have gone to any of them. It was without doubt our best performance since the trials and we look forward to continuing to develop as a team over the season. The boys celebrated the victory with the club song on the field, which was sung with much gusto. The boys are also very good goal kickers as we converted all 5 tries and these points will come in handy later in the year in relation to

U/ 8 Div 1 Won 34-26 v Moorebank

U/9 Div 2 Won 36-26 v Auburn Warriors

This week saw the boy's play their first game against Auburn Warriors and being one player down meant that they all had to give 100%. After only a couple of minutes Lachlan Maric scored a terrific try breaking straight through the defence with a solid run. The boy's muscled up in defence, making try saving tackles and keeping the opposition in there end of the field. Auburn Warriors crossed to bring the score level. Next to score was Lofty straight from the kick off running down the side line and stepping the fullback. We matched the opposition try for try with Omar and Ethan both scoring there first tries of the season.(Many more to come). A terrific game by all the boy's, played as a team. A fantastic effort by Lachlan Maric bagging 5 try's and kicking 1 goal. ST Christopher's 36 – Auburn Warriors 26.

U/9 Div1 Lost 30-14 v St Johns

Having 2 weeks off footy seemed to be a set back and a loss momentum. The boys looked to be still be holiday mode conceding 16 points within the first 10 minutes with too many missed tackles. To their credit, the boys hit back with a great solo try by Dylan scoring under the post. Receiving the ball from kick-off, the boys rallied with a good set followed by a kick and chase putting pressure on their attack so we received the ball within the opposition half. With some good teamwork in attack we were over again with a great try to Riley, going into the break at 8-16. Kicking off and a good chase, the pressure seemed to get to St Johns and we could feel some momentum change our way and another try was scored by Lachlan, 14-16 and we were back in the game. Having the ball for most of the second half we couldn't put them away with too many easy turnover's and missed tackles costing us the game. We showed we can compete with the top teams considering these guys have been the finalists for the past 2 season's and we are playing with no interchange bench. Some great defence by Dylan, Lachlan and Aiden and covering defence by Ben with a special mention going to Brodie - one of our smaller boys pulling off a great one on one tackle on their main forward ('smashed him'). Good effort boys. 3 points goes to Lachlan (great runs and big tackles all game), 2 points goes to Dylan (tireless worker both in attack and defence) and 1 point goes to Brodie (great in defence - best game so far).

John

U/10 Div 3 Lost 46-4 v St Johns

U/10 Div 1 Won 28-22 v Bulls

Turning into Gartmore Avenue reminded us of our last game at Bankstown Football Centre. It was the Under 9 Div 2 grand final last year where we displayed our worst performance of the year. Somehow we hung on to get the win that day, but we were hoping that this trip would see us playing much better.

We came up against Bulls who were probably one of the weaker first division sides last year, so we thought we were a chance. They knew that they were playing a reserve grade team from last year, so they thought they were a chance! That's how all games should really start out - both teams looking for a win. Bulls were the first to open the scoring, courtesy of a

IMPORTANT NOTICE TO **ALL PARENTS**

Code of Conduct and ARL Safeplay

The junior league has reminded all Clubs to inform their members about conduct. When you're supporting our teams the best advice is to stay positive and follow the ball i.e. leave the ref alone. Everyone is also reminded that no one is to enter the field of play at any time (that definitely includes half time). Only 'card carrying' team or Club officials can enter the field. Please take note.

The referees have also advised the ARL Safeplay code will be rigidly enforced throughout the season. This code is applicable up to and including the under 15s. It means there is no tackling above the arm pits, no swinging of players by arms or jerseys, no lifting in tackles. A breach of the safeplay code is an automatic penalty. It is no use hollering from the sideline – the refs will be consistently and automatically administering this code. I recommend all coaches (and supporters) click on the following link to read the full code. Good luck to everyone on the weekend

http://www.arldevelopment.com.au/fileadmin/user_upload/Documents/Club_Admin/downloads_about_us/14270_Safeplay_Code.pdf

Juniors Giving Back to the Game

Congratulations to two of our juniors—Aidan Harrington and Dylan Elias, both from our Under 14's team, who have recently completed their referees exams. They will debut with the whistle this weekend so if you see them around make sure you give them a pat on the back.

player who reminded us of Tui from our 13-2's (yes, big). But we fought back well and, thanks to a good penalty count in our favour, started to take the upper hand mid-way through the half. Noah and William both scored strong tries from close range. Unfortunately we then gave away possession in our own half through dropped balls on the 2nd and 3rd tackles, inviting Bulls back into it. They finished the half a little stronger and in the lead 10-16. Half time was good for us, allowing us to get back to a familiar pattern of play that had gone missing earlier. We controlled the ball very well for the first 10 minutes and again got the upper hand. Some good ball movement from one side of the field to the other allowed us to get outside their defence twice with Noah delivering great passes to Lachlan who finished-off in the right hand corner. Lachie then scored his third from long range, out-sprinting the desperate Bulls cover defence. We were looking pretty comfortable when Bull started to get some possession themselves. They managed to score again and 7 minutes from full time were full of running, trying to rein-us in. Only some solid defence, including Callum and Noah taking their biggest head-on, and Kueva cutting them down in cover, helped keep our line in-tact. Just like the grand final - we showed real toughness at the end when it was needed. The result, a 28 - 22 win, was our first in the top division this year. It won't be our last. The boys were justifiably proud of themselves. Every player did some good things, but a few rate a special mention. William played with great confidence, leading the run count and deserving his try. Noah was strong in both defence and attack, scoring himself and setting-up Lachlan. Good positional play helped Lachie bag 3 tries. Donnie muscled-up against their big boys, standing chest to chest and not taking a backward step (it's good to have you back mate - stay away from those jumping castles). Kueva nearly topped the tackle and run count in one half of football! But Callum earned his Man of the Match through toughness in defence and great service, as usual, from hooker.

MOM: Callum Whyte

Tries: Lachlan (3), Noah and William

Goals: Lachlan, Ryan, Adam and Kueva

U/11 Div 2 Lost 36 – 10 v Bankstown Sports

Another home game against the Sports that unfortunately got away from the boy's in the end. The boy's were able to come out firing and with an even amount of possession to both sides resulted in a very tight first half with Bankstown going into the break with a slight lead at 10 – 4 points. Even though the TEAM missed out on a few more scoring opportunities the try the boy's did manage to score of a good kick and chase was a cracker.....

The second half again saw the TEAM needing to apply the pressure to the opposition as they were still in with a great chance of possibly pulling off their first win of the season. Though within 10 minutes left remaining in the game somehow things appeared to not go the team's way with a few silly mistakes being made, missed tackles and a few more unforced errors starting to creep into the game plan. Resulted with the opposition racing away to a comfortable lead in the end even though the scoreboard probably did not actually reflect how close the contest actually was, *(the little things boy's).....*

This weeks **Man of the Match Award** went to Christian Devnie. Who defended well, took the opposition on, tried hard all day, never gave up and as a result was awarded a hard earned try in the final minutes of the game. *Well done Christian...*

This week's tries were awarded to Ryan Dunn, (1) and Christian Devnie, (1) with our only successful kick at goal going to Josh Hannigan, (1).

To also include boy's what we spoke about after this week's game, ***Remember the little things in a game of football we need to do right, Tackling, Running up in one line in defence, Quick play the balls, Run onto the ball in attack and plenty of TALK....***

U/11 Div 1 Won 12-10 vs Dragons

The boys headed to Clemton Park to take on the Dragons, who are a very tough side that we have never beaten. The boys received off the kick off and made a simple mistake in our own thirty resulting in a try to the dragons out wide 6 nil. Due credit to the boys who keep there heads up and toughed it out in both attack and defence. The game then went from one end to the other. Finally Bodie decided to run the ball on the last and smick Mick scored in the corner converted by Ryan 6 all. With some good lead up work from

big Stuart and the rest of the pack saw Mick burst through the line near half way and dash 40 meters to score. Converted by Bodie. 12-6 half time. The dragons hit back after half time but missed the conversion 12-10. The second half seen us struggled to get out of our own half, the dragons just kept coming and coming. But in true St Chrissy spirit the boys were not going to and didn't let them cross the line. Finally to the parents relief the bell rung. Well done boys great effort great win. And how good did the club song sound echoing around Clemton Park!!!

U/12 Div 1 Lost 0 - 38 v Bulls .

Our boys played the competition "benchmark" at Bill and we started well by sticking to the game play and not allowing them to intimate. 10 minutes in and we were holding them out and matching their intensity, Rhys was showing the rest how to tackle, with Kieran and Luke cut their big boys down. 2 x quick tries through our own errors had us still in the game at 0 - 8 and 30 seconds till half time, but a careless lapse allowed them in on the bell to have us at the break 0 - 14. Our defence as a team let us down in the 2nd half, and we allowed the Bulls to run and dictate the game. Sammy showed a lot of speed and determination to stop a certain try 1 metre from the line, and Jack moved the runners around with skill beyond his years. Anthony and Luke got a lot of practise kicking off! Hayden, Liam and Nathan ran hard, but their solid defence made breaks hard to come by. Man of the Match: Hayden Kennedy.

U/13 Div 2 Lost 34-10 v Milperra Colts

Firstly we welcome new player Jayden Willick to the side. Boys played Colts and from the kick off we made to many mistakes and first half score line was 30-0. Second half our boys came out with a better attitude and won the that half 10-4 it was like watching two different games, boys we need to play like that all game not just one half. Try scorer was Tui with two and man of the match, one goal by Tommy. Boys you need to come to training and train not muck around and maybe our score line will be different.

2 Tries Tui

1 Goal Tommy

U/13 Div 1 vs Won Forfeit

U/14 Won 46-8 vs St Johns

After the holiday break and a wash out the boys were keen to play at home on a nice sunny day. We start well with the forwards leading the way through the middle. We complete all our early sets and are camped in St John's half, it doesn't take long to crack them, by half time we are up 28 nil, having declined most of our conversion shots at goal along the way. The forwards are in total control, in attack the pack is making good metres and offloading sensibly for more yards, the backs are finishing off with slick tries out wide. In defence the side is coping fairly easily with what St John's offer.

After the break we clock off a bit, having a bench of 1 limits our interchange and it's a warm day. St John's to their credit battle away and never give up, they score two tries on us before we wake up and take the final score out to 46 to 8, 10 tries to 2. All in all a good run, very happy with the forwards all of whom played a full hour each and looked good with and without the ball. The backs deserve congratulations as well with some smart support play and generally tight defence from wing to wing.

Apart from round 1 we have had fairly easy games, although our injury toll hasn't been good. The next three games will test the boys, which they need, and being back to a bench of two will help also. Keep up the hard training boys you'll need your fitness to help you through the next month.

U/16 Lost 28-18 v Holy Cross Ryde

Under 16s v Holy Cross Ryde Lost 26-18 Our first game in division 2 and the boys thought it was going to be a walk in the park. It started that way with us completing our sets, sticking to our plan and running in 2 quick tries.

Unfortunately the boys then thought it was too easy and abandoned the game plan to try and score off every tackle. The opposition were like St George - with no flair or excitement they just kept completing sets, eventually grinding us down until we imploded. Hopefully a valuable lesson was learned. An 'airing of grievances' was held on Tuesday and a few messages rammed home – the most important – get to training.

U/19 Won 38-20 v Redfern All Blacks

A Grade Won 32-6 v Hurstville

A poor game to watch but a pleasing result would be the best way to describe this game.. A couple of back to back penalties early in the game and some poor defence by us let Hurstville go to a 6 nil lead after 5 mins., We started to control the ball and the tables soon turned our way enabling us to go to the break 16 -6.

The 2nd half was marred by poor handling from both sides and poor discipline from Hurstville(who had 2 players in the sin bin) and this allowed Chrissies to come away with a 32-6 win. Sam Smythe had a great game in the 2nd row and got our man of the match award. He was well supported by James Leten at fullback who scored 2 tries and was safe under the high ball. Iye Dance and Poppy Mayoh had great games in the halves. The highlight of this game was keeping the opposition scoreless for 65 minutes.

Scorers, J Leten 2, Olly,D Eisenhuth,J Dance, a Laughlin, tries

J Leten 2 Wayne Hanratty 2 goals
