President's Report

Of the Saturday teams the 6-2s and 10-1s were the shining lights. The 6-2s ramped up their training 'regime' to 2 nights a week and achieved instant results with a good win over Sporties at their home –always a tough task. The 10-1s are up from division 2 last year and are holding their own in the top grade. They defeated Milperra at Killara and seem to 'have the wood' on this team after beating them in last year's grand final. The 9-1s put in their best effort of the season over at Clemton. Though beaten, we played a man down and were a little unlucky. Good effort boys.

Sunday was a 'Meat Loaf' day with 2 out of 3 sides winning – that ain't bad. The 19s stayed in touch with the leaders by beating Kingsgrove Colts at their 'home' while the A grade put on their best display of the year (a couple of years from some reports!) to beat the Bulls. We were so impressive, we have to do it again this week!

The rest of you – well, we desperately need you to lift and show some pride in your performances. In 47 years the Club has never experienced such a start to the season. We can make excuses but only you guys can turn it around. Rhys Harrington from the 12s was knocked senseless last week and carted off in an ambulance. He penned a note to thank the first aiders. It finished ***I am so proud to be a part of this Club because there***

are so many great people and that is what makes us the Mighty Saints'. Great people achieve things. Let's achieve this week-end.

Sunday footy

This week we have the 16s, 19s and A grade at home for the first time since Round 1. Last week I asked for supporters to hang around and watch their mates in the older grades. This week we need club people to support our senior sides. Many of these players put back into the Club by coaching and training the Saturday sides e.g. 6-2s, 7-3s, 13-2s and 13-1s all have coaches or trainers playing in the 3 teams on Sunday. Let's get down and see if they do what they're telling you to do!!

GO THE SAINTS

U/6 Div 4 Lost 0-40 v Auburn Warriors

U/6 Div2 Won 28-16 v Sports

U/6 Div 1 Lost 12-20 v St Johns

After a hard week at training, the Under 6/1 boys had a home game at Bill Delauney Reserve

Coach Tim Millar had the boys tackling heaps at training, as the past few weeks the boys were letting in some really soft tries. That practice really came into fruition in this game, as we were holding the opposition out, and really making them earn their tries. The boys also showed how good they can offload, and scored some tries that were of such a standard that isn't often seen from an Under 6 team. One try resulted from at least 6 offloads, and deadset, if anyone recorded it on camera, it would win on 'League of their Own' on the Footy Show!!!

The score ended up 20-12 to St. Johns. Try scorers for us were Owen Millar scoring 2, and Sean Amy. Owen Millar recieved the Player of the Match Award courtesy of Panania Diggers. If these guys played like they did last weekend, we are going to be a hard team to beat, as it seemed we have improved overnight! Bring on Moorebank this weekend I say!!!

U/7 Div 3 Lost 10-38 v Greenacre

The boys got off to a shaky start with Greenacre scoring their first try in the opening minute. These boys were going to give us a run for our money. Steven and Isaak had a few good runs towards the line, but we just couldn't seem to get the ball over. Christopher managed to put our first points on the board with a great try which was converted by Blake R in the dying minutes of the first third. Jack got the second third off to a flying start with a quick try, but despite some awesome tackling by Braith, Blake M and William and some unlucky calls from the linesman, Greenacre just kept on scoring. The whole team put in a great effort but it just wasn't our day. Better luck next game boys.

U/7 Div 2 BYE

U/7 Div 1 Lost 22 - 36 V St Johns

We have had a number of breaks in the frequency of games and we were coming into this round following another week off due to the bye. This week we were on the road again at St Johns home ground. It was an unseasonably warm day but otherwise a great day for footy.

We kicked off to commence the game with a very deep start that saw us in good in field position, but unfortunately we were penalised late in the tack count and the second set saw St Johns moved the ball into our half. Our game suffered a little in the first third due to the inconsistency in regular games this year and we made an error that handed the ball to St Johns in our half. Late in this set St Johns crashed over out wide for the first try, which was converted for a score of 0-6. We were very eager to get back on the level terms and in a scene that was repeated several times in the game we handed over possession after being tackled out. However we were working well in defence, with Jordan, Sean, Bailey and Zac, all putting the first receiver under pressure. This resulted in us forcing an error which we converted into points following good runs from Riccardo, Luke and Trent who on his run offloaded to Jared who scored a good try and our conversion attempt hit the post (4-6). St Johns scored and converted in the next set to extend the score to 4-12. We returned the favour in the last set of the third with Trent scoring after the bell and the conversion by Riccardo saw us right in the game at 10-12.

St Johns kicked off to restart the game and due to eagerness to get the ball got the ball back as we picked up the bouncing ball with a foot over the side line. This gave St Johns the ball in good field position and following some confusion with a line call they scored and converted again to move out to 10-18. We recommenced play with Jordan, Alex, Sean and Luke all making great runs and getting good field position. On the next set Kaled was in the right place to take a pass from St Johns and scoot away to score and also convert to bring us back into the mix at 16-18. Despite some good efforts in defence from Trent, Jared and Riccardo we could not hold out St Johns on another repeat set following a penalty and with the conversion (16-24). We again turned the ball over after

being tackled out but we worked hard in defence and our line speed put pressure on their players. Kaled was again in the mix and received another pass and scored another converted try by Jared (22-24). St Johns got a penalty early in the next set and again our boys were confused by call from the touchy and they scored near the end of this third to go into the break 22-30.

We did not score a try in the last third despite Kaled, Trent and Jared all going close and we had some great efforts in defence with Jordan, Zac, Bailey, Alex and Sean all putting pressure on the St Johns players. Late in this third St Johns scored again to take the game to its final score of 22-36. We had more opportunities than St Johns in this third as our boys never stopped trying to bridge the gap in the scores and this is reflected in the fact that we were tackled out near the line on four occasions in this period.

This game taught us the valuable lesson that footy games are won by the things that happen on and off the ball, including all moving up in defence consistently, taking the ball up and staying away from the sideline, play to whistle and not expect the referee to tell you when to move up and supporting your team mates by following them as they take a hit up. The boy's game has suffered due to events outside their control such as the weather and the scheduling of games in the draw however they play a very positive style of footy and are learning some great skills. We are very happy with the efforts that they put in each week and we look forward to the next game.

Go the Saints.

Tries: Trent X 1, Kaled X 2, Jared X1
Goals: Riccardo X 1, Jared X 1, Kaled X 1
Goop Guys MOM: Jordan
ENC: Sean

U/8 Div 1 Lost 12-22 v St Johns

Round 7 saw the boys on the road again, this time to Begnall Oval to take on competition heavyweights, St Johns. Although on the losing end it was by far and away our best performance of the year. Our halves led the way for most of the game with Klayton having another sparkling game with a try against the run of play and valuable yards every time he had the ball. Thomas played an inspirational role, tackling anything that

moved and making many probing runs. Braidon, Connor & Alex up front all ran & tackled strong with Alex & Tom forming a nice partnership one out. Blake looked dangerous on the edges and James ran straight and hard every time while Michael went about the rough stuff up the middle as always, but the 2 players that really took their games to a new level were Sam & Ethan. Sam looked like a real footy player for the first time. His efforts in defence in the 2nd half earned him tackler of the week while Ethan was rewarded with player of the week with a great try out wide and his cover defence was outstanding.

Our first half was the best the boys have played this year and if they can keep that up for the whole game, they will see the results come. Remember, move up in defence, hold the ball tight, don't get in each others way and never give up. Well done boys.

RESULT - Loss 22-12
Tries – Ethan & Klayton
Goals - Ethan & Klayton
Player of the week – Ethan Burke

U/9 Div 2 Lost 6-56 v Colts

On the 21st of May, the Saints were up against a very disciplined Colts side. The Colts performance confirmed their highly placed position on the ladder. However, there were a lot of positives to take out of the round for the Saints. Although our team was down a couple of players, the team is definitely improving with a few different faces contributing more to the game each week. This week Connor played well with some strong runs, while Liam made some impressive tackles. Ethan came back from a week off and put his body on the line for the team and played with confidence. Jayden made some yards with a good run from the kick off. Dom's confidence is growing from week to week, moving forward to take on the Colts offense. Special mentions to Angus who tackled his heart out and scored a great try from a kick to the in goal in the corner, Angus's efforts awarding him a medal from

the Colts officials. Lofty converted our only try and played extremely well with his offense and defence. Keep up the good work Lofty. Omar tackled brilliantly and Jeremiah had a good game with a few strong runs. Our team will hopefully be back to full strength for the next round. Keep up the good work fellas.

U/9 Div1 Lost 24 -14 v Dragons

The boys started the game off well with Lachlan McApline crossing over the black paint in the first set which was well constructed following the structure practised all year. The stand in coach couldn't have asked for a better start. From there the dragons struck back a couple sets later no thanks to our lack of movement towards the defence. The game stayed tight with both teams making plenty of metres up the park. The boys scrambling defence was good as many try saving tackles were being made here, there and everywhere. The score at half time finished up 10 – 4 with Ben Pele crossing for a try in the later stages of the first half with a demolishing run that he displayed all game.

At half time the boys had belief in themselves that they could win their first game for the season despite playing a player short. The second half was our down fall with referee decisions not going our way therefore not allowing the boys to get the momentum they required to go forward. Despite these decisions the boys fought valiantly and muscled up in defence and tried hard in attack only to see Dragons cross for two tries to take the score out to 16 -10 with 10 minutes to go. The saints never say die attitude saw Malakai our steamroller score leaving a trail of Dragon defenders lying in a path behind him. With the score now at 16 – 14 the boys played well right to the full time bell tackling, passing and running. The final score ended up 24 – 14. A disappointing end to the game but the boys should keep their heads up as it was a solid effort against a higher ranked team. Man of the match went

to Benjamin Pele for his outstanding game consisting of hard long runs and devastating defence, a well deserved reward. Nathan Bashara was our only goal kicker displaying some Benji Marshall like striking.

U/10 Div 3 Lost 20 – 6 v Auburn Warriors

It's not often you come off a loss feeling like you just won a game.

We couldn't be more proud of the boys who put in a great team effort only to go down by 14 points.

The boys were down 14-6 at half time, the 2nd half proved to be the best 20 minutes of there season a real fight back!

The last time we played the warriors we lost 38-6 (the best team in the comp) one thing we can assure you is the next time we meet they know they'll have a real game on their hands.

Well done 10/3 we were so proud of the effort, teamwork and passion!

U/10 Div 1 Won 12-4 v Colts

The team travelled to Killara Reserve for what was to be a replay of the 2010 Grand Final. In our first meeting since getting the result last year the nerves were high. In what can be described as an average warm up, the boys weren't giving anyone too much confidence.

Something obviously changed between the Warm Up and kick off, because St Christopher's came out and played a "BLINDER".

In what I would describe as a very high level game, both teams completed their sets and got to good kicks. Field position in the early stage was with Colts. Our boys muscled up in defence and protected their line with ferocity. Callum, Cameron, Christian, Keuva, Adam, Ryan and Blake defended strongly and deserve special mention. After the early battle, Lachlan raced away to a great individual try on the back of some great backline movements. At 6 nil it was still anyone's game. After Christian set the seen with several kicks on the last tackle, the

option to 'show and go' on the last saw the defence open up and all of a sudden it was 12 nil to the good guys.

Colts never gave up and this match was a real arm wrestle. We always looked dangerous in attack with strong ball running by Noah, Ryan, Kueva and Lachlan. Cameron and Blake also attacked well on the edges.

I need to say that there wasn't a bad player in this team on the weekend. Great effort and be proud of yourselves. You should never doubt it boy's you can match it with any team in this division.

A special mention to Omar, who stood up to help out from the U/9's. Omar great job and thanks.

Adam stepped up to a high level and was awarded the Player of the Match Medal from Milperra Colts as part of their Gala Day.

MOM – Cameron Wiley

Tries : Lachlan Jordan

Christian Laidler

U/11 Div 2 Lost 26 – 12 v Moorebank

The boy's were at home this weekend against competition leaders the Moorebank Rams. With the first half starting off well in enabling the boy's to match the opposition try for try and goal for goal. Resulted in both sides going into the halftime break at 12 points all. Which to the team's credit was a good result as if improvement is a measure of success. Our first round clash against the Rams had the boy's behind 22 -0 on the scoreboard at the half way mark. That resulted in the boy's going down 36 -4 at full time...

The second half also started off well and again the TEAM was able to match the competition leaders in defending hard, completing their sets and looking very dangerous whenever they had the ball. As this had the potential in possible pulling off an upset win against a very good Rams outfit.

Though unfortunately with very little ball possession and the boy's requiring to defend heavily within their own side of halfway finally taking its toll. Allowed the Rams to continue their onslaught and break through for another couple of late tries in allowing themselves to record a comfortable win in the end. With the opposition also requiring to fight hard all game to win the valuable 2 points on offer. Due the TEAM again playing well together, remaining confident, trying hard all day and more importantly

never ever giving up, (*remember boy's success is all of these things put together*)

.....

With this weeks **Man of the Match** being awarded to Patrick Kotsaris. Who was able to run around several opposition players to score a very well earned try out wide. Was also a threat to the opposition whenever he had the ball and continues to play with more confidence each week, (*Well done Patrick*)

With this weeks tries going to Patrick Kotsaris,(1), Mohamed Arnaout,(1) and successful kicks at goals going to Ryan Dunn,(1), Joel Williams,(1).

To also include boy's what we spoke about after this week's game. **CONSISTANCY will always achieve positive results.....**

U/11 Div 1 Lost 0-36 v Moorebank

U/12 Div 1 Lost 0-36 v Bulls

The sun was shining and Bill looked a treat. The boys warmed up with the 0 - 38 loss to this side only two weeks ago in the back of their minds. Due to St Johns joining our comp and the subsequent reshuffle.

Bulls picked up from where they left off and everything the team talked about went out the window with a soft try only one minute in. Luckily, Bankstown struggled with the conversions and the score favoured us at 0 - 16 . Then nearing half time Rhys took a big hit from their Boy Mountain and needed assistance. The site of a ambulance on the field is sobering for all parents, a reminder of the strength of the might our boys compete against every week. Praise must be heaped on our officials who efficiently handled the situation with care. The delayed second half gave the boys a second warm up. Things worked on at training was evidenced by brief moments of footballing teamwork. But ultimately the Saints fell back into allowing the opposition to move them around the park. Jack, Liam, Sammy and Jonah never stopped trying but we missed Rhys' tackling in the second half. Rhys may be on the side lines for a week or two, but is all OK and will play on.

Man of the Match : Rhys Harrington.

U/13 Div 2 Lost 0 - 62 v Sports

Boys the score said it all. Come to training with a better attitude this week.

U/13 Div 1 Lost 20-26 v Moorebank

U/14 Lost 10-20 v Dragons

We travel to Clempton Park to take on the Dragons, always a big ask. Coming off an uncharacteristic loss last week we need to do well. Again injuries play a key role and we run on with a bench of 1. They have 6. We start well and it's evident from the get go that the boys have turned up to play. We apply good pressure in the opening stanza, forcing some well constructed repeat sets. The Dragons hold but you can sense that our opening is worrying them, to a man they out weigh us (except for Jayden) by 5-10 kilo's in the forwards, more in the backs, but you wouldn't know watching our boys constantly putting their bodies on the line against bigger stronger but dumber opponents. At half time we are 10 all and the local crowd is crapping themselves. The battle resumes and the intensity does not drop. The only replacement we make in the game is shuffling our hookers around as injury again strikes, but, the boys fight on and adjust. Our two front rowers, our three back rowers played the whole game without interchange – 1 hour of non stop football. They used their whole bench on rotation. Ten minutes to go and we are still level, both teams are tiring from the pace and level of physical contact. We pressure their line but fatigue causes some poor options and a blatant two man strip, not missed by the touchie, but missed by the ref, result in an undeserved try to the home team. Never the less we are still in, until, damm it, we lose our captain to a shoulder injury – sustained when he was kicked in the shoulder whilst lying on the ground – another incident missed by the ref (when will Canterbury realize this 14's competition needs, nay deserves, a much better level of official in the middle). The siren goes and we are down 20-10. The score by no means reflects the game. The small but vocal group of Saint Christophers fans, parents family rightly claim a moral victory, as they should – they saw what their sons did today. An outstanding effort by all, every single player put in, for the entire game – not one bloke slacked off at any stage. It was wonderful to watch, heartbreaking but wonderful. It made the coaching staff and all the parents so very proud of their boys. It scared the daylight out of the other mob.

U/16 . Lost 16-32 v Kingsgrove

It was another disappointing effort by the guys, after doing everything as planned in the first set we then gave away penalties with lack of discipline and went for the big plays rather than grind the other team out of the game. When we did stick to the game plan we made easy ground and created opportunities. Jordan had a top game from fullback, while tom and Hendo led the way in the forwards with Quinny and Rayzor putting in big efforts as well. As soon as we realise if we stick to the game plan we will win games and play for the team and not for yourself .

U/19 Won 28-6 v Kingsgrove

A Grade Won 26-12 v Bulls

Wow what a turnaround, last week we lost to the team who are favourites for the wooden spoon and this week we beat last years grand finalists. The game was tight right from the start with both sides going hard at each other and eventually we won this arm wrestle by scoring first in the 18th minute after a great pass from our 5/8 Jye Dance put Graham McFarlane into a hole to cross over out wide.

Our next try came from Andrew Powell who dived over from dummy half next to the post to make the score 10 - 0. The last 5 minutes was spent defending in our 1/4 as we conceded 2 penalties and gave the bulls 5 sets of 6 at our line and we defended like our life was on the line before the bulls scored out wide 60 seconds before half time to go to the break 10-6. My biggest concern here was if we were capable of keeping up the intensity in the 2nd half. We only missed 8 tackles in the first half and would need a similar effort in the 2nd half if we are to win this game.

I needn't have worried. We picked up where we left off in the first half with Wayne Hanratty scoring off a great Jason Mayoh kick in the 40th minute to put us ahead 14 - 6. Two minutes later we were in again with Dave Psaroudis scoring off a Jye Dance kick with Daniel Fuente converting to make it 20 - 6 . Bulls got a run of penalties through some poor discipline by Chrissies and after a ton of possession scored and converted to make the score 20 - 12. With 18 minutes to go it was anyone's game we had now lost 2 players for the game with injury and the boys were tired from their great defensive effort but we hung in there and James Leten was awarded a try in the 63rd minute to clinch victory for the saints with the final score being 26 - 12.

The hard part was now picking the man of the match pts. There were so many good players our defence won this game for us with only 15 missed tackles the entire game, a feature Wayne Bennett would be proud of. Our go forward was great so with this in mind we awarded the man of the match award to our inspirational leader prop Matthew Dawes who in the first half alone made a staggering 15 tackles and 7 hitups and ended up topping the hitups for the game with 17 and made 20 tackles without missing one a fantastic achievement. In 20 years of coaching this win was one of the best I have ever been associated with. Everything we did at training we did in the game, it was a 9 out of 10 performance. Our kicking game was near perfect, we had a total of 15 kicks in the game 13 were perfect either turning the fullback around, bouncing before him or putting him under pressure with bombs. In defence we had 3 in every tackle at times limiting the bulls to only 10 metres for their set of 6. I could go on for ever but if I had a son who wanted to learn how to play footy, then this was the game to watch, this was a lesson in rugby league. Congratulations boys on a wonderful performance.

IMPORTANT NOTICE TO **ALL PARENTS**

Code of Conduct and ARL Safeplay

The junior league has reminded all Clubs to inform their members about conduct. When you're supporting our teams the best advice is to stay positive and follow the ball i.e. leave the ref alone. Everyone is also reminded that no one is to enter the field of play at any time (that definitely includes half time). Only 'card carrying' team or Club officials can enter the field. Please take note.

The referees have also advised the ARL Safeplay code will be rigidly enforced throughout the season. This code is applicable up to and including the under 15s. It means there is no tackling above the arm pits, no swinging of players by arms or jerseys, no lifting in tackles. A breach of the safeplay code is an automatic penalty. It is no use hollering from the sideline – the refs will be consistently and automatically administering this code. I recommend all coaches (and supporters) click on the following link to read the full code. Good luck to everyone on the weekend

http://www.arldevelopment.com.au/fileadmin/user_upload/Documents/Club_Admin/downloads_about_us/14270_Safeplay_Code.pdf

Saints Supporters
