CLUB NEWS

President's Report

10 games at home on the Saturday followed by 5 on the Sunday – exhausting for all concerned. The 7.1s were first to break our ordinary early morning run at home with a thrilling 2 point victory over the Bears – and weren't they grizzly about that! The 10.3s played some good footy (though bombed a couple of tries) to snatch a draw with Moorebank while the 12.1s looked really good in beating Sports. The 14s are struggling with a high injury toll but still managed to overcome Moorebank to gain a valuable 2 points - it was that late they had to play the second half under lights but it was good to finally turn them on. Away from home our 6.1s got the cash against the Bulls and the 11.2s reversed a 1st

round loss to beat the Warriors at home – good improvement boys. The 11.1s were not to be outdone and had a draw with Sports who they haven't beat for a couple of years so improvement there also.

Sunday saw the seniors sizzle with 3 straight victories. The 16s finally played to their potential and smacked East Hills in the local derby. With the big wet last week Macca made the boys watch videos of themselves thus inflicting on the boys the same pain their supporters having been going through - clearly this ignited their footy skills. Once again the 19s looked good in defeating the highly fancied Mascot while the A grade had a walk in the park against an understaffed Hurstville – good for

the 'for and against' anyway.

Even though there are no games this weekend it is pleasing to see all our teams have continued to train. Well done. Don't forget the Kids' disco at the Diggers on Sunday night – with no footy you'll have to get them out of the house..

U/6 Div 4 Lost 4-28 v St Johns

It was our second home game of the season and our hopes were high to continue our winning form from the previous round. St Johns however, had the perfect start with a try from kick off. Our boys fought back and tried hard to break the defence to even the score, a couple of our players were stopped only inches from the line but were held back by some great defence. St Johns then collected a loose ball to run the length of the field and score their second try. Our next attacking phase had all of our boys running into touch, regardless of the warning of snakes in there! Our attack continued and we were awarded a penalty for offside, followed by a penalty for a very high tackle, however Lucas Cassar was stopped short of the line on the hooter for the end of the 2nd Q. The third quarter seemed to be dream time for our boys, as a few of them were chasing worms and daydreaming. Once their attention returned to the game, all of our boys made good runs but could not break the defence. They were once again forced into touch on their runs and the coach and I thought that our touch judge must have had a pocket full of lollies as he was attracting our boys like a magnet. Two more high tackles from St Johns had the ref warning the coach that the same offending player would be sent off if it happened again, this gave us plenty of possession, however we could not break the line or stay out of touch. We did however finish on a high note with Lucas Cassar making a great run down the line to score before the final whistle.

Tries - Lucas Cassar
Goals - None
MOM Lucas Pengue

U/6 Div2 Lost 10 -30 v Auburn Warriors

The boys had another tough game. The first third we were down 0 - 18. In the second third we played really well both in defence and attack and got back to 10 - 22. Murray scored his first try of the year. He took them all by surprise when he ran straight out of dummy half on the last tackle and straight over the line. Well done. The other try was

scored by Hayden and the goal was kicked by Tom Forrester. Great kick. In the third third we fell asleep a bit and they got another couple of tries against us. Man of the Match went to Tom Forrester.

U/6 Div 1 Won 28-4 v Bulls

We were ready for a big win after losing on the buzzer the week before. The boys all put in a great effort against the Bankstown Bulls coming away with a 28 - 4 win.

Our defensive effort was the most pleasing part of the game with all the boys getting involved and making a heap of great tackles, keeping the bulls scoreless until the last minute of the game.

Whilst everybody played excellent this week, our captain for the day Totoa was also given the man of the match award, he had a great game.

Tries : Kian Boyne (2) Owen Millar (2)
Oscar Moseley Peter Assaf and Totoa Lynch

Keep up the good work boys, all the tackling practice at training is definitely paying off !!

U/7 Div 3 Lost 16-38 v Moorebank

U/7 Div 2 Lost 22-38 v Milperra Colts

We did not get off to great start with Colts scoring from our kick off. We struck back with a great try from Vincent, who ago proved to be elusive for the strong Colts defence. The try scoring from there was tit for tat, with them scoring and then us scoring to level the tries.

The team overall put in a good effort, but we did get distracted from time to time in defence. As usual Ryan, Thomas and Vincent showed the way in defence and all were rewarded with great tries. Thomas' was his first of the year and very well deserved, showing a great step and determination to get to the line. Cameron, Saadi, Blake, Jesse, Bianca and Georgio all kept busy in defence, put their bodies on the line and also made

some great runs. We will now need to improve on our speed of play in coming weeks and moving up in defence. The final score did not really represent the game and Colts scored the last 2 tries. Tries – Vincent 2, Ryan, Thomas
Goals – Blake, Vincent, Jesse
Man of the Match – Jesse
Encouragement Award – Thomas

U/7 Div 1 Won 16 – 14 v Berala

After a wet start to the week and interrupted preparation we were at home against Berala this week and the ground was in good condition for footy.

We kicked off to commence the game with a very deep start that saw us in good in field position and it was evident from the start that we were ready to play. The boys had a good line overall in defence and this was pleasing to see. There were some good runs when we had the ball with Zac, Luke, Bailey and Kaled all taking the ball up hard and making good ground. The defence was being led by Jared and Trent with good support from Jordan and Alex. About half way through the third Berala bent our line with 2 runs from their big boppers and this was followed up by a break from their first receiver who scored a converted try to open the scoring 0-6. However it was not long before we were back on level ground with Jared scoring a good try after a penalty and some good play by the boys. With Bailey, returned to form, booting a good conversion for 6-6 at the end of the third.

Berala kicked off to recommence play in the second third and we returned the ball strongly with Riccardo, Kaled, Zac and Sean all making good runs. The game was very tight in this third with both sides pulling off some great cover tackles with Jared, Trent, Jordan and Kaled all pulling off try saving tackles for us. The boys were stuck in their own half for most of the early part of this third and late in the tackled count Jordan took off on a great run that saw him skirt the side line and then step inside the fullback to score our second try which Jared calmly converted to give us the lead 12-6. However the size of the big boppers in the Berala side began to take its toll and they crashed over late in the third to reduce our lead to 12-10.

Riccardo kicked off for us in the last third and it was a good deep kick which saw us dominate field position. The boys were fired up in defence with Jared, Trent Jordan and Sean all working hard with the rest of the boys following their lead. However we began to wait for Berala instead of meeting them at the advantage line and they began to get a more balanced share of field position. When we had the ball there were great runs from Zac, Alex, Luke and Kaled who all took the line on with no fear. After a repeat set following a penalty late in the third we scored a good try with Jared bursting through the defence to score out wide despite being injured by a desperate covering tackle attempt and unfortunately we hit the post with the conversion to only hold a 16-10 lead with about a minute and half to go. Berala sent their 2 biggest players on runs from the tap restart and despite the boys best efforts scored a try, which they failed to convert, much to the relief of the our fans, coaching staff and officials. We took the final plays of the game and the boys showed a lot of maturity in taking the ball up and respecting possession in the last seconds of the game.

The boys finally got the reward their efforts deserved this week and as a team it was one of our most consistent games in defence. The boys followed the game plan and the coaches' instructions well in this game. We played very direct in attack which saw us have a high completion rate. There was a lot to be proud of in this game and any of the boys could have justifiable been recognised with a game award.

Go the Saints.

Tries: Jordan, Jared X2

Goals: Bailey, Jared

Goop Guys MOM: Jared

ENC: Jordan

U/ 8 Div 1 Lost 20-24 v Milperra Colts

U/9 Div 2 Lost 0-52 v Berala

U/9 Div1 Lost 16-34 v Sports

Arguably, this was close to being our best game of the season involving effort and a never say die attitude. Rain having washed out our week of training and facing the a team who's been undefeated for four seasons, our boys seemed surprisingly relaxed before the game. We had a poor start to the game letting in 3 quick tries and we were down 18-0 after 10 minutes.

With this kind of start, this is where Sports tend to demolish alot of teams and run away with the game but our boys never gave up and showed their mental toughness. They started tackling and a strong bustling run from Dylan produced and awesome try with him scoring down the side line and which seemed to spark the boys into action, going into the break 22-6 down.

Having some ball in the second half, boys seem to go up gear with some good organisation by our halves Nathan and Aidan and some strong runs by Leavai and Lachlan laid the platform for our running forwards out wide, we defended well with sports attacking our line having repeated sets of six which was a good effort by all, we applied some pressure by moving up in defence which cause a bit of panic in their attack, next set we receive the ball another strong run by Dylan scoring another try down side line similar to the first half, some big defence by lachlan,Leavai,Brodie and the HIT of the year so far by Riley turns the ball over, a strong run by Lachlan who off loads to Ben who still had a bit of work to do and we are over again.

We showed we are the only team in this division to match these guys and coming off the field it was like a moral victory for us and a big boost in confidence for the boys but can't win games when you let this amount of points in. We defended well in patches will improve with time, brodie in defence compared to the start of

season is pulling off some try saving tackles and Leavai playing his second game since under sixes especially in grade was pretty in impressive and a stand out showing no fear, Nathan and Aidan had their best game together, all in all a entertaining game to watch.
(" tackling training this week boys")

3-points-Dylan

2-points-Leavai

1-point-Aidan

U/10 Div 3 Drew 10-10 v Moorebank

This was one of those games that just got away! The team continues to show improvement week in week out. The big plus being the attitude in defence.

It was a last minute try by Moorebank that tied the game after their conversion, up until then our defence was solid having only let in 1 try!

Special mention to Camille Sleiman having scored both tries with hard solid running. Jarrod, Cory, Jordan R & JD lead the way in defence. Great attacking skills by Jordan T, Daniel , Vince & Dean. Ben continues to show improvement showing he can defend even the biggest kid on the field. Mark having only played his third game is showing improvement.

Well done 10/3 before you know it you will be on top of the ladder.

U/10 Div 1 Lost 0-26 v St Johns

Our boys played competition leaders St. Johns who had beaten us by 40 points in the first round. Playing at home this time around we were under pressure right from the kick-off when our opponents had a couple of sets of six near our try line. But we held our line intact and resisted the early onslaught. The boys were allowing St. John's players to stand in tackles and off-load for second phase play, but quickly heeded the trainers message to get more dominance in defence. Kueva played a new role in cover defence which

Ref's Ravings

Following on from last week this is the second instalment of the National Safeplay Code.

3. SHOULDER CHARGE

The Code: A DEFENDER CANNOT "SHOULDER CHARGE" A BALL-CARRIER TO AFFECT A TACKLE.

Application: A defender who runs at a ball-carrier and, without attempting to tackle, grab or hold the ball-carrier, charges to make contact with the shoulder or with the upper arm (tucked into the side) is guilty of an infringement.

Reference: Law Book - Section 15, considered "Misconduct" or "Dangerous Play"

4. VICIOUS PALM

The Code: AN ATTACKING PLAYER CANNOT "THRUST" OUT AN ARM TO CONTACT THE DEFENDER ABOVE THE SHOULDER

Application: Any attacking player who violently punches or thrusts out an arm or uses an outstretched stiff arm so that the hand or fist contacts the neck, face or head of a defender commits an infringement. (This section does not state that a player cannot legitimately 'palm' the head, neck or face).

Reference: Law Book - Section 15, Law 1 (a), Page 38

5. SLINGING

The Code: THE USE OF THE BALL-CARRIER'S ARM, OR JERSEY TO SLING OR SWING A PLAYER IS PROHIBITED

Application: A defender who uses the arm or jersey of the ball-carrier to sling or swing the player in a tackle commits an infringement.

Reference: Law Book - Section 11, Note to Law 1. Page 23

6. SANDBAGGING (FLOPPING)

The Code: A DEFENDER CANNOT DROP OR FALL ON A PRONE PLAYER.

Application: It is an infringement for a defender to drop, dive or fall on a player in possession of the ball who is prone or stationary on the ground and not attempting to play-on. (A simple hand-on completes the tackle).

Reference: Law Book - Section 15, Law 1 (e) & (i), Page 38

7. SURRENDER (IN THE TACKLE)

The Code: BALL-CARRIERS MAY SURRENDER IN THE TACKLE. WHEN SMALL AND/OR INEXPERIENCED PLAYERS ARE INVOLVED IN A "SURRENDER", DEFENDERS MUST NOT COMPLETE THE TACKLE

Application: This rule is designed to protect beginners and small players by minimising risk and eliminating excessively robust play. The referee, NOT the player, calls 'held'. Players who are at an obvious disadvantage because of low levels of experience, are of small stature or show a lack of skill are to be protected when in possession of the ball and being tackled. Halt to play is to be called (BY THE REFEREE) when these players submit to the tackle or are held, subdued or their progress is halted by bigger or more experienced players. Failure by a tackler to respond to the referee's call is an infringement.

Reference: Law Book - Section 11, Law 2 (c), Page 23, Note to 2 (c), Page 24

8. VERBAL ABUSE / FOUL LANGUAGE

The Code: THE USE OF OBSCENE EXPLETIVES, THREATENING OR DENIGRATING WORDS IS NOT PERMITTED

Application: Verbal abuse, obscene language and sledging, including comments or words that threaten or denigrate an opponent, referee or supporter is an infringement. (If the individual cannot be identified, the team should be cautioned through the captain).

Reference: Law Book - Section 15, Law 1 (f), Page 38

9. SCRUMS

The Code: PUSHING OR PULLING IN, OR ROTATING A SCRUM IS NOT PERMITTED.

Application: All scrums are to be de-powered. Scrums will form as per the following instruction: FORM, ENGAGE & HOLD. A team that deliberately pushes or pulls in, or rotates a scrum is guilty of an infringement. Once the ball has been fed into the scrum, hookers only may strike for the ball. Second row players can lift a foot to rake the ball out of the scrum, but cannot step forward over the ball to cause the ball to come out of the scrum.

Reference: Law Book - Section 12, Law 4, Page 30

It should be noted that every penalty under the Safeplay Code should be accompanied by a caution and instruction to the player responsible for the infringement.

IMPORTANT NOTE

IT IS MANDATORY THAT A PENALTY KICK FOLLOW ANY ACT THAT TRANSGRESSES THE SAFEPLAY CODE. ACTION, IN ADDITION TO A PENALTY FOR A BREACH (i.e. SIN BIN OR REPLACEMENT IN MINI/MOD) IS DISMISSAL AT THE DISCRETION OF THE REFEREE. (Refer International Laws, Section 13, 1 (a) and Section 15 - Players Misconduct)

ADVANTAGE PLAY & THE SAFEPLAY CODE

A penalty kick must follow any infringement.

1. IF NO ADVANTAGE OCCURS, the penalty is to be awarded immediately.
2. IF AN ADVANTAGE OCCURS, the penalty is to be awarded either at the breakdown in play immediately after the misconduct occurred, (unless a try is imminent) or where the act of misconduct occurred, whichever is to the greater advantage to the non-offending team.
3. WHEN A TRY HAS BEEN SCORED in the same play in which the act of misconduct occurred or in the immediate play thereafter (the imminent factor), the penalty kick, additional to the conversion, will be awarded in front of the goal posts. A kick at goal must be taken from the penalty kick (place or drop) and play restarted from the centre on the half-way line irrespective of the outcome of the kick.

Stay tuned for more next week!!!

worked well for us. Well done Captain Courageous. With the ball we struggled to penetrate a strong defensive side. St. John's moved-up quickly to cut-off ball movement to our outside backs where we have most strike power. But we switched play a couple of times, used some decoy runners, mixed-up our kink-offs well and relied on our kick-chase in gaining field position. Strangely, the sound of the half and full time siren seemed to prompt a panic kick each time, but our opponents were unable to take advantage of this last gift possession in each half. Again we had no reserves and Cameron, MOM for the two previous weeks, played bravely through illness. Our wingers and covered their kicks well and generally our organisation and commitment was strong for the whole game. We conceded 10 points in the first half and 16 in the second. The boys were clearly disappointed with this, but the coaching staff were really proud of their effort. We were much more competitive than last time we played them, so we're moving in the right direction.

MOM: Christian Laidler

Achievement Award: William McDonald

U/11 Div 2 Won 16 – 12 v Auburn Warriors

The boy's were at home this week for their third game clash of the year against the Auburn Warriors and in doing so were able to post their second win for the season. Which turn out to be an excellent result considering the Warriors had beaten us on the two previous occasions. With our first two meetings seeing the boy's going down, 26 -12 and 20 -18 on each occasion, (*well done boys and a very good effort in turning the result around*).....
With the first half seeing the boy's racing

away to a 16 – 6 points lead through some very clever attacking and most of all making every opportunity with the ball in attack count. To also feel somewhat a little unlucky to have had missed out on a few more scoring opportunities. Which would have obviously allowed the boy's to go into the half time break with a few more points on the board in also stretching their lead.

The second half started a little bit slower for the boys which resulted in the opposition putting in another try out wide. Which also resulted in the boys having to turn their attack into defence and in doing so were able to hold out the Warriors until the full time siren went off. Though there were a couple of nervous moments in doing so with the last 5 minutes of the game being played within our own half to also include very close to out try line as well, but with the boys playing so well as a TEAM and backing each other up in stopping the opposition larger boys from crossing the try line was a very good display of rugby league, (*boys it was your clever attack and hard working defence that won us the game today, well done and a good effort in both departments*).....

This weeks **Man of the Match Award** went to "little" Joshua Hannigan. Who puts his body on the line each weekend. Is always there in attack and defence. Plays the game with passion, always gives 100% and never ever gives up or lets his team mates down, (*well done Josh*).....

With this weeks tries being awarded to Aaron Karnold,(3) and successful kicks at goal going to Ryan Dunn,(1) and Joel Williams, (1).

To also include boy's what e spoke about after this week's game. **YOU NEED TO WORK HARD IN DEFENCE AND LET THE BALL DO THE WORK IN ATTACK....**

U/11 Div 1 Drew 18-18 v Sports

This was the 2nd meeting between these two teams. They met them in RD 2 of the competition but on that occasion they got the better of us in the second half and walked away with the win. Coming off a great win against Chester Hill last week, the boys were on a high and full of confidence, they were in the right frame of mind and had been working on their skills since the last time the two teams met. From the start you could see the level of skill had picked up with very few errors and some great runs by Lachlan and Jaidin O. Their defensive effort was outstanding with Peter "the tackling machine" back to his best, putting the big boys flat on their backs. Half time saw our team leading by one converted try and the boys were pumped. There was still plenty to do though and they knew it, they gave it their all but unfortunately let through a couple of soft tries to have the home side level the score before full time. It was an exciting game and a great effort for the boys to draw with the team currently running 3rd on the ladder. There is still plenty of work to do, at times there were still a few sloppy plays, but they have a great platform to work on and I'm sure they will be working twice as hard before they meet up with Greenacre Tigers in two weeks time. Good Job boys keep it up, we are all so proud of you , the hard work is paying off.

Tries :Michael (2) Jaiden O

Goals: Michael, Bodie, Jaidin O

MOM: Jaidin O

U/12 Div 1 Won 16 - 6 v Sports

Bill was kind to the boys with a great win against a side we lost to, only 3 weeks ago. Nathan opened the scoring with a fine run close to our line from a timed pass by Luke. Adam followed with a brilliant kick/pass to Abdul, who scored his 1st try ever and duly celebrated by a group of kids playing as a Team. We controlled the game and at 1/2 time were in front 10 - 6. Sammy the "Flash" made an immediate impact when he came on and Sports had no answer to his powerful running and laid on a quick try. Hayden played a 1st class forwards match and Jonah saved a certain try late in the game with his cover defence. Individual, copy book, 1 on 1 tackles were performed by Lachlan, Liam, Luke, Jonah, Abdul, Riley, Jeremy, Jack, Kieran, Louis and Adam. Keep this up boys and the Saints song will be heard many more times this season.

Tries: Nathan, Abdul and Sammy.
Goals: Jonah and Liam.

Man of Match: Riley Nagle

U/13 Div 2 Lost 0-40 v East Hills**U/13 Div 1 Lost 14-16 v Greenacre****U/14 Won 20-16 v Moorebank**

We get to play Moorebank at home, the second game of the second round. After a few weeks of getting pummelled the boys are looking forward to playing an easier team. It shows.

We start well and by half time lead 16 – 6. Good ball control and good field position and the boys are in first gear. Showing no desire to inflict any sort of punishment we drift to the break well on top, we should be ahead by at least another 12.

In the second half Moorebank realise that we aren't really in the mood to play and come storming after us pushing us all the way to the end. The final score 20-16, that's right – they won the second half 10-4. The boys did the minimum necessary to win this one, I think they are looking forward to a few weeks off. Our next game is in three weeks time, against the unbeaten Bulls. We will need a huge improvement in all aspects of our game if we aren't to be humiliated by them.

U/16 Won 48-10 v East Hills

The local derby was always going to bring out something special and lucky for us we were able to find some of our old form and come away with a big win. The marker work was strong from the outset with Kirk and Jimmy leading the way but after not taking

advantage of some early opportunity it was Easthills who scored first with a try against the run of play but the boys stuck to there game plan and it paid off with Matt coming up with a double in the space of a few sets. The boys went on with it with Blake and Robbie chiming in for a couple of tries to help us to a 28-6 lead at halftime. What was most pleasing was that the guys went on with it in the 2nd half with Hendo doing a great job setting up play and Tom again solid up front. Josh.S had his best game so far and Benny went over for his first try in what had been a long time between drinks. Great team effort guys it was good to see everyone so excited after the game now lets keep it going.

U/19 Won 20-0 v Mascot**A Grade Won 68-6 v Hurstville**

What I thought would be a good game turned sour when the opposition took the field with just 10 men.

It's hard to get into the game when you know you are going to win. There were some good tries scored and on the plus side, a few guys got to cross for a try and avoid the end of season nude run. Final score 68 - 6

IMPORTANT NOTICE TO **ALL PARENTS**

Code of Conduct and ARL Safeplay

The junior league has reminded all Clubs to inform their members about conduct. When you're supporting our teams the best advice is to stay positive and follow the ball i.e. leave the ref alone. Everyone is also reminded that no one is to enter the field of play at any time (that definitely includes half time). Only 'card carrying' team or Club officials can enter the field. Please take note.

The referees have also advised the ARL Safeplay code will be rigidly enforced throughout the season. This code is applicable up to and including the under 15s. It means there is no tackling above the arm pits, no swinging of players by arms or jerseys, no lifting in tackles. A breach of the safeplay code is an automatic penalty. It is no use hollering from the sideline – the refs will be consistently and automatically administering this code. I recommend all coaches (and supporters) click on the following link to read the full code. Good luck to everyone on the weekend
